JACOBS LOCAL HOLDS TALKS ON CONTRACT

Union Official Reports Negotiations Going Full Swing

MEMBERSHIP MEETING WILL BE HELD DEC. 12

Negotiations for a new contract between Jacobs local 3802, United Steel Workers (CIO) and the Jacobs Aircraft Engine company are going full swing.

Mark L. Brown, president of the union, said last night that three meetings were held with the company this week and that the negotiations "were progressing amiably."

The union's present contract, originally one year contract but extended, will expire on Dec. 31,

Brown said that negotiations will continue with the company at meetings scheduled almost daily.

* * *

A GENERAL membership meeting will be held on Dec. 12, Brown said, so that workers can be given a report on the progress of the talks.

Among the points being discussed in the talks is a general wage increase of 10-cents-an-hour.

Union officials also are seeking a job evaluation program which would set up 18 different grades of labor.

Brown said that a new hospitalization plan is being discussed. At present the plan pays $8 a day for hospitalization.

The proposed contract would increase that to $10 per day.

At present the workers have no pension plan. The new contract would initiate a pension plan calling for $125 a month after 20 years of service, similar to basic steel arrangements.

Another point being discussed is a minimum hiring rate of $1.52 an hour.

SANTA TO LAND IN AREA TOWNS

'Landing Gear' Featured on Sleigh

Santa Claus probably will have his wheels down when he lands in Trappe today.

He's scheduled to swoop down there shortly before noon, on the way to his Schwenksville headquarters in the H. B. Kratz store.

Trappe is the place where he plans to change from flying reindeer to an earthbound horse, so he can greet his friends along the Perkiomen valley.

He'll have a sleighful of toys with him, which should give him plenty of landing speed.

ITS NOT likely that the runway (First avenue, in front of the Collegville-Trappe joint High school) will have any snow on it. It's expected to be a nice warm day like yesterday.

Each company was given $11,500 at the start of the year with the promise that if the funds were insufficient they could request more at the end of the year.

Clothes Drive Kick-Off

—Mercury Staff Photo

Pottstown Rotary club's used clothing driving got underway last night as club members each brought in 15 pounds of used clothing. Shown here is small part of clothes donated by club members.

Several donations weren't voluntary, however, as witness Melvin L. Feroe, second from left, who was fined coat, tie, shirt, trousers and shoes for not bringing the required amount.

There were plenty of other fines, too, as the club insured a fine start for the drive. The clothes will go to the West Berlin Rotary club for refugees from behind the Iron Curtain. Trucks will tour the borough at 1 p. m. Saturday to pick up donations from area residents.

Shown here, left to right, are James Griffith, Feroe, James Nottle, Harold R. Young, George Robins and Allyn Brown.

Deer Stalkers Still Meeting Success; Fair Sex Shows Keen Marksmanship

The deer slayers are still at it, and there's evidence their aim is still good.

They're popping off the nimble bucks all over, many of them in the backwoods counties upstate, and a respectable number in their own backyards.

Neither sex has a monopoly on the keen eye and the steady hand. Women are showing the men that it doesn't take brawn to be a marksman.

Take Mrs. Alma Shellenberger, of Pottstown RD 4, for instance.

She brought down a 135-pound nine-point buck up in Center county's Julian district, a feat that gave the two men in her party a chance to revise their opinions of the weaker sex somewhat.

Mrs. Shellenberger was gunning with her husband, Robert, and Jack Smith, Pottstown RD 2.

SIX MEMBERS of a party of nine returned to Pottstown with one nine-point buck shot by Joseph Laubmeier Sr., 327 Jefferson avenue. The party was hunting in Noys township, Clinton county. The deer weighed 130 pounds.

Laubmeier's sons, Robert, of 720 Center street, Stowe, and Joseph Jr., of Pottstown RD 4, returned home along with three other Pottstown RD 4 men, Donald and David Kelius and Calvin Roberts. Milton and Clyde Kelius and August

Rain Will Follow Bright, Sunny Days

That perfect December weather will give way today to the usual drab Winter's day so typical this time of the year.

It's been bright and sunny for the past few days, but the forecaster sees clouds on the horizon and rain to follow.

The rain probably will start tonight and continue tomorrow morning, with cloudy weather predicted before and after.

The temperatures won't dip too far, however, so there is a chance the rain won't freeze. Early yesterday morning, there was frost on the cars and car windows as the night dew froze in the cold atmosphere.

The thermometer read 29 degrees at its lowest point yesterday, but today is expected to reach as high as 59 degrees. That's no more than a cool summer's day.

SALVATION ARMY CUTS MORTGAGE

Pays $2000 to Reduce Total Debt to $12,000

Advisory board members of the Salvation Army yesterday reduced the mortgage on their new King street citadel by $2000. The money, appropriated from the Army's building fund, was determined to be in excess of current needs for maintenance. With the $2000 deduction, the building will have a mortgage of only $12,000 on it.

O. C. Beacraft, board chairman who presided, appointed a nominating committee for a slate of officers to serve next year. Present officers, besides Beacraft, are J. Russel Reifsneider, vice chairman, Mrs. Willard F. Maloney, secretary, and John F. Stamm, treasurer.

Capt. C. Robert Flinn, officer in charge of the local citadel, reported that 31 needy families were given food and clothing during the Thanksgiving period. He also reported that Christmas baskets, consisting of food and clothing, will be distributed to 263 inmates at the Charles Johnson home, which is the county institute near Royersford.

Pottstown Soldier Faces Suit for $25,925 Damages

A damage suit amounting to $25,925 as the result of an automobile accident has been filed in Berks county court against a Pottstown soldier.

The defendant named in the suit is James Long, 20, of 51 Beech street.

The claim was filed by Earl and Esther M. Keller, of Fleetwood RD 3, through Attorney John E. Marx.

The accident occured on Sept. 14, 1952 at Breezy Corners on the road between Reading and Pricetown, the claim says.

The Kellers were guest passengers in an automobile owned and operated by Kenneth Fegley, also of Fleetwood.

As a result of the collision between the two cars, the statement says, Mrs. Keller suffered a fractured leg and serious knee injuries. Her husband also was injured about the legs.

Negligence on the part of Long was alleged.

ROTARY CLUB STARTS DRIVE FOR CLOTHING

WILL MAN 13 TRUCKS TO BOOST COLLECTION

The Pottstown Rotary club's used clothing drive was given a roaring sendoff last night by club members.

An average of 15 pounds of used clothing was donated by the members, all of whom had been ordered to bring at least that much.

Rotarians will be waiting at 27 North Hanover street all day today to receive clothing from area residents.

Tomorrow, club members will man a fleet of 13 trucks and tour Pottstown, Stowe, Sanatoga and North Coventry in an effort to secure more clothes. The tour will start at 1 p. m. and continue until 3:30 p. m.

Boy Scouts will move ahead of the trucks to ring door bells and give notice of their approach. Persons unable to come out and give in person may have a Boy Scout call at their homes by calling 2566 for this service. Edward Good is chairman of this department.

A "whole truckload" was brought in last night by Rotarians at their weekly meeting. The clothing will be given to the West Berlin Rotary club for distribution to refugees who fled from behind the "Iron Curtain."

J. Russel Reifsneider, chairman of the local drive, and S. Ernest Kulp, the international chairman, both declared themselves satisfied with last night's results.

* * *

TOP MAN for the night was C. A. Brown, who donated 36 pounds. He was followed by Harold Young, 30 pounds, and James Griffith, 28 pounds.

Seventy-five members attended the meeting, with most of them coming up to the established par for the night.

Those who didn't come up to par paid a forfeit of some article, or articles, of apparel they were wearing for the occasion.

President Charles Rohland got off lightly, donating his shoes. Jim Nottle "donated" his coat and Melvin Feroe

Local GI Wins Applause, Hearts Of German People on Singing Tour

By JOSEPH CAPALDI
(Mercury Staff Writer)

DARMSTADT, Germany, Dec. 3—A local singing lad who is stationed with the Seventh Army special services in Stuttgart, Germany has the exclusive job of introducing American Negro spirituals to Germans.

Pfc. Dave Williams, of 327 Grant street, has been singing for the past year in Germany.

★ ★ ★

PFC. DAVE WILLIAMS

Although the evolution of the American Negro spirituals and its cultural significance still are vague to some Americans, songs like "Go Down Moses," "Deep River," "Swing Low Sweet Chariot" and "Old Man River," ring a familiar note to the American ear. Germans have heard versions of Negro spiritual music in "hepped-up," popular quartet style, but the sedate form is one they have seldom heard.

When the US department learned of Williams ability, they requested that he sing in the America houses in Germany. The Freibug America house requested Williams and arranged for the opening tour. Williams, accompanist Pvt. Charles Fisher, manager Corp. Albert Azzaline and American house representatives went on the road.

Presented as a cultural affair, a lecture is given first in German explaining the spiritual. A solemn

Swearing-In Set for Monday

School Boards to Reorganize

School boards throughout the Pottstown area will hold reorganization meetings Monday night to swear in new members and elect or re-elect presidents and vice presidents.

Monday is the day set aside by Pennsylvania law for the reorganization and almost all boards will meet on that day.

In Pottstown, three new school members, re-elected in the recent November elections, will be sworn in.

Montgomery County Judge William F. Dannehower will swear them in at 6 p. m. at the school administration building.

* * *

FOLLOWING this brief ceremony, a dinner honoring the new members will be held at the Senior High school cafeteria where board members, administrative officials, and teachers will hear Judge Dannehower speak.

At 8 p. m., the board will hold its regular monthly meeting.

Indications are that School Board President H. Bert Shaw will continue on in that capacity and that Vice-President Carl M. Binder will hold his post.

Shaw has completed four years of a six year term. Binder has just completed two years on the board.

* * *

THE THREE new members to be sworn in are Douglass V. O'Dell, Herbert G. Stauffer and Herbert Maack.

All three are Republicans, which will make the school completely Republican.

The three men to be replaced, none of whom ran for re-election, are Victor J. Roberts, Earl J. Reidenouer and H. Clifford Cresswell.

William Yohn, who has just completed two years, is treasurer of the board and Charles Rohland, who has also completed two years, is secretary.

The non-member secretary to the board and the school district is Linford Moyer.

Vincent Consolidated

I. Newton Evans will replace the late Henry White on the Vincent consolidated school board when it meets at the new school to reorganize Monday night.

White, a Republican, was president of both the consolidated and West Vincent boards when he was defeated by Evans, a Democrat.

A new member of the East Vincent board is Paul Detwiler, also a Democrat. Other members of both boards are all Republicans.

Members will elect a president of the consolidated board and a president of both township boards at the meeting.

Frank Miller is now president of the East Vincent board.

West Vincent members include Mrs. Sarah F. Pyle, long-time secretary; Mrs. Caroline H. Brown, treasurer of the board for the past four years and of the consolidated board since its start; and Vice President George Burnley, a veteran of six years on the board.

Lewis Weaver was first appointed to the board and is serving now as an elected member.

West Pikeland

Two new members — one appointed and one elected—will join the West Pikeland school board when it meets to reorganize Monday night.

The appointee is C. Ellwood Longhin. He replaces Bayard Samworth, who moved out of the district after serving on the board four years.

Loughin will serve until the next election.

Rotarians will be waiting at 27 North Hanover street all day today to receive clothing from area residents.

Tomorrow, club members will man a fleet of 13 trucks and tour Pottstown, Stowe, Sanatoga and North Coventry in an effort to secure more clothes. The tour will start at 1 p. m. and continue until 3:30 p. m.

Boy Scouts will move ahead of the trucks to ring door bells and give notice of their approach. Persons unable to come out and give in person may have a Boy Scout call at their homes by calling 2566 for this service. Edward Good is chairman of this department.

A "whole truckload" was brought in last night by Rotarians at their weekly meeting. The clothing will be given to the West Berlin Rotary club for distribution to refugees who fled from behind the "Iron Curtain."

J. Russel Reifsneider, chairman of the local drive, and S. Ernest Kulp, the international chairman, both declared themselves satisfied with last night's results.

TOP MAN for the night was C. A. Brown, who donated 36 pounds. He was followed by Harold Young, 30 pounds, and James Griffith, 28 pounds.

Seventy-five members attended the meeting, with most of them coming up to the established par for the night.

Those who didn't come up to par paid a forfeit of some article, or articles, of apparel they were wearing for the occasion.

President Charles Rohland got off lightly, donating his shoes. Jim Nottle "donated" his coat and Melvin Feroe

Children will want to make scrapbooks of this charmingly-written story. Mothers will make scrapbooks for youngsters to read in the future.

Look for the first installment Monday and follow this engrossing story every day next week.

Catholic War Vets Announce Success Of 'Colors' Drive

Pottstown's Catholic War Veterans announced a successful conclusion yesterday to their "colors" campaign.

Funds for two new flags for CWV Post 1683 were contributed by 48 firms and individuals, William D. Palladino, post commander, revealed.

He said the campaign was a "48 stars" drive, with a contributor for each of the stars on the new American flag.

Besides the National standard, the post now has a standard of its own—a blue flag bearing a gold cross of peace and the letters "CWV" and "US."

Both flags were given to the post complete with eight-foot staffs, Palladino said.

The local post was organized in

Local GI Wins Applause, Hearts Of German People on Singing Tour

By JOSEPH CAPALDI
(Mercury Staff Writer)

DARMSTADT, Germany, Dec. 3—A local singing lad who is stationed with the Seventh Army special services in Stuttgart, Germany has the exclusive job of introducing American Negro spirituals to Germans.

Pfc. Dave Williams, of 327 Grant street, has been singing for the past year in Germany.

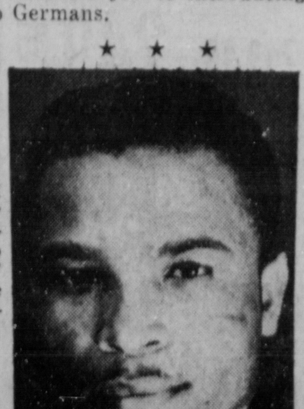

Although the evolution of the American Negro spirituals and its cultural significance still are vague to some Americans, songs like "Go Down Moses," "Deep River," "Swing Low Sweet Chariot" and "Old Man River," ring a familiar note to the American ear. Germans have heard versions of Negro spiritual music in "hepped-up," popular quartet style, but the sedate form is one they have seldom heard.

When the US department learned of Williams ability, they requested that he sing in the America houses in Germany. The Freibug America house requested Williams and arranged for the opening tour. Williams, accompanist Pvt. Charles Fisher, manager Corp. Albert Azzaline and American house representatives went on the road.

Presented as a cultural affair, a lecture is given first in German explaining the spiritual. A solemn

Workers at the Boyertown Burial Casket company went into their 11th day of striking today with no signs of new negotiation talks in the offing.

Russell Keyser, president of local 406, International Upholsterers of North America, said last night that he was still waiting to hear from Federal Mediation and Conciliation officers.

The mediation men will set the date for the next parley, he said.

Swearing-In Set for Monday

School Boards to Reorganize

School boards throughout the Pottstown area will hold reorganization meetings Monday night to swear in new members and elect or re-elect presidents and vice presidents.

Monday is the day set aside by Pennsylvania law for the reorganization and almost all boards will meet on that day.

In Pottstown, three new school members, re-elected in the recent November elections, will be sworn in.

Montgomery County Judge William F. Dannehower will swear them in at 6 p. m. at the school administration building.

* * *

FOLLOWING this brief ceremony, a dinner honoring the new members will be held at the Senior High school cafeteria where board members, administrative officials, and teachers will hear Judge Dannehower speak.

At 8 p. m., the board will hold its regular monthly meeting.

Indications are that School Board President H. Bert Shaw will continue on in that capacity and that Vice-President Carl M. Binder will hold his post.

Shaw has completed four years of a six year term. Binder has just completed two years on the board.

* * *

THE THREE new members to be sworn in are Douglass V. O'Dell, Herbert G. Stauffer and Herbert Maack.

All three are Republicans, which will make the school completely Republican.

The three men to be replaced, none of whom ran for re-election, are Victor J. Roberts, Earl J. Reidenouer and H. Clifford Cresswell.

William Yohn, who has just completed two years, is treasurer of the board and Charles Rohland, who has also completed two years, is secretary.

The non-member secretary to the board and the school district is Linford Moyer.

Vincent Consolidated

I. Newton Evans will replace the late Henry White on the Vincent consolidated school board when it meets at the new school to reorganize Monday night.

White, a Republican, was president of both the consolidated and West Vincent boards when he was defeated by Evans, a Democrat.

A new member of the East Vincent board is Paul Detwiler, also a Democrat. Other members of both boards are all Republicans.

Members will elect a president of the consolidated board and a president of both township boards at the meeting.

Frank Miller is now president of the East Vincent board.

West Vincent members include Mrs. Sarah F. Pyle, long-time secretary; Mrs. Caroline H. Brown, treasurer of the board for the past four years and of the consolidated board since its start; and Vice President George Burnley, a veteran of six years on the board.

Lewis Weaver was first appointed to the board and is serving now as an elected member.

West Pikeland

Two new members — one appointed and one elected—will join the West Pikeland school board when it meets to reorganize Monday night.

The appointee is C. Ellwood Longhin. He replaces Bayard Samworth, who moved out of the district after serving on the board four years.

Loughin will serve until the next election.

Nevin Myer is the newly elected

Christmas Is Early On Atlantic Island

HAM, Island of Foula, Shetlands, Scotland, Dec 3 (AP) — Christmas came early to the 149 residents of this craggy, gale-lashed North Atlantic island today.

Cut off from the outside world for 42 days because of violent storms, the islanders cheered the arrival of the mail boat Island Lass with food, fuel, tobacco and whiskey.

The 30-foot steamer chugged into Foula's only landing place just as the sub-arctic night closed in.

Housewives prepared their first good meals in days. And the lights went up. Supplies of kerosene and other fuel had run out several days ago.

The Island Lass brought 21 mail bags bulging with letters and newspapers dating back to October

Wayne Knause A Good Choice

THE Republicans couldn't have picked a better man as president of borough council than Veteran Councilman J. Wayne Knause. Mr. Knause will crack his first gavel next month when the GOPs, victorious in the past month's election, will take over the reins from the Democrats.

For nine years Mr. Knause has served his Seventh ward constiutents courageously, conscientiously and faithfully.

Selected to fill an unexpired term, Mr. Knause three times was returned to office by the people he represented. Only the past month he scored a decisive victory over his Democratic opponent for another four-year term.

Mr. Knause is eminently qualified to fill the borough president's shoes because of his experience in borough affairs and because of the efficient manner in which he has conducted his part of the borough's operations.

Never a man to adhere strictly to party lines, Mr. Knause was forthright in his convictions regardless of party maneuvering and strove to do the right thing let the chips fall where they may.

The selection of Mr. Knause as borough president was particularly appropriate in that the Republicans are going to adopt a new scheme of council committee selection.

In this Mr. Knause, as president, will name the chairman of each committee. And its members in turn will be named by the chairman.

Mr. Knause, familiar both with party politics and with efficent council procedure, is a good choice to perform the function of chairman picker. A resident of Pottstown for the past 29 years, he has served at one time or another on every one of the borough council committees.

Thus he is exceedingly familiar with the qualifications and requisites that a committee chairman post demands and therefore is completely equipped to make the choices.

Following in the wake of an inept Democrat at the head of the borough government, the Republicans will have turbulent waters come next month. But with Mr. Knause at the council helm, Republicans seem headed for calm and smooth passage.

Protect the Kiddies

POTTSTOWN Fire Chief Richard E. Lindauer yesterday in The Mercury pleaded for Christmas fire safety. His rules for flameproofing, his hints for removing hazards were excellent.

It must be remember, too, that holidays can be dangerous days for the youngsters. The menace is fire.

Excited and over-tired youngsters are especially vulnerable to the dangers of loosely woven costumes and party dresses, decorative candles and unsafe toys.

Protect them by following these simple fire safety suggestions:

1. Flameproof children's clothing made of loosely woven materials.

2. Remember, candles are dangerous at any time—but particularly when there are children around. Electric candles are just as effective in decorating, and much safer.

3. When buying electrical toys of any type, always look for the UL label. It means the toys have passed Underwriters' Laboratories tests for fire and shock hazards.

4. Some types of toys, such as those involving flame or pressure, should not be given to little children. Others, such as chemical sets, should be selected with care, and play with them should be supervised.

5. Never leave children at home alone!

Go West, Young Woman

THERE are more women than men in the United States. The 1950 census reported that, out of a total population of 150,697,361, there were 49,556,000 females over 21 but only 47,860,228 males over 21. It also noted that in only 16 states of the 48 did men outnumber women.

Most of those states are west of the Mississippi, The exceptions are West Virginia, Michigan and Visconsin East of the Rockies, there are also more men than women in Minnesota, Nebraska, North and South Dakota. From there on west men tend to predominate. There are more men than women in Utah, Idaho, Montana, Wyoming, New Mexico, Arizona and Nebraska. In Colorado the number of women exceeds that of men. On the Pacific Coast there are more men in Washington and Oregon, but fewer in California.

Almost a century ago Horace Greeley wrote an editorial saying "Go West, young man." Evidently his advice has been taken. But marrying is an old custom which most women believe in and the wise hunter goes where the quarry is abundant.

Grampaw Oakley

PUNKIN CORNERS,
December 3.

Editor. The Mercury,
Dear Sir 'n' Brother:

Wal, I see whar a preacher feller is thinkin' that maybe the devil is behind them Sunday night television programs. If all them funny programs and good plays is the work of the devil, he must be a purty busy man. 'N' a purty good string puller too.

I see whar the dedication of Hill Church has been postponed because they ain't got new pews yet. Wal, why don't they borrow a couple of skunks and keep right on with their dedication?

It's only three weeks till Christmas, and that means the city slickers will be out in this neck of the woods tryin' to steal Christmas trees. This is fair warnin'. If I catch them, I'll wallop their backsides with the trees they're tryin' to make off with.

Hopin' you air the same

'Speed Kings' Cause Mishaps

Put Governors on Cars

To the Editor: As a veteran motor car driver I am surprised to read the letter in The Mercury written by salesman (**"No Speed Limit Best," Readers Say, Nov. 27**) who claims elimination of all speed limits on the highways would be best.

I will admit by my observations while driving daily that many other motorists are of your opinion and that they proceed to drive about as fast as their machines will travel.

It is also noticeable if you read The Mercury that many of these speed kings are figuring in crashes, most of them serious and some even fatal.

A State Motor Patrolman from the Collegeville barracks tells me that 95 percent of the accidents are caused directly or indirectly by speeding and he should know.

He also states that about 35 percent of persons operating cars are not mentally or temperamentally fitted to drive machines.

I hope the Salesman is not in this category. He states in his letter he has never had an accident. Maybe this is because the other drivers he has encountered are careful and dodge out of his way.

The numerous crashes in which the investigating officer is told by the driver "I lost control" are the result of speeding.

There is getting to be an epidemic of crashes in which cars upset on curves, crash against poles and trees and run head on into trucks and other machines not to forget to mention the cars that dash into the rear of trucks and cars.

Let's put governors on car motors so that they cannot go more than 60 miles an hour and then enforce the state 50 mile an hour speed limit.

Pottstown CAREFUL DRIVER

The Farmer's Side

To the Editor: This is in answer to Shop Worker's letter ("Farmers Growing Fat," Readers Say, Dec. 1).

In the first place, Shop Worker is to be pitied. for he shows he has a mental age of about six years and knows nothing about farming.

He claims the farmer works about seven months out of a year. I suppose the cows milk themselves the other five months.

He does not know that during the Summer the farmers' day is often 14 hours long and counting eight hours as a work day, that makes almost two days in one.

Another thing Shop Worker does not know is that the farmer has thousands of dollars invested in live stick, machinery and land.

A medium sized tractor costs $3000. The farmer has repair bills and operating expenses to pay. There is depreciation on machinery. buildings, etc. He has to pay high taxes and insurance, just to mention a few items. He takes a risk that storms, floods and drouth may wipe out a whole year's work.

As for the government subsidy on farm produce, it is only a small fraction of the amount of the government subsidy to the publishing business, just to name one.

Intelligent city people, however, know that food is indispensable and that the farmer needs the product of the factory to produce food.

The intelligent thing to do is for everyone to do his part so that a maximum of happiness can be had by all.

I wish Shop Worker a merry Christmas and while he has his holiday I will be milking the cows as usual so that he can have his milk on the table.

Boyertown OLD MC DONALD

Cattle Need Tending

To the Editor: This is for the Shop Worker ("Farmers Growing Fat," Readers Say, Dec. 1) who passed remarks on the fat farmer. I was a farmer's wife until death parted us.

I wonder who they think helps keep the milk and meat on their tables all year round?

The cattle need care and feeding all year to help bring those things to your door.

Pottstown L.S.H.

President Is Missing

To the Editor: I think it is a shame that President Eisenhower didn't think enough of our Army and Navy to be at the football game on Saturday in Philadelphia. It's a long established tradition that the President of the United States sits on one side of the field for the first half and on the other side for the second half.

But where was President Eisenhower? He was golfing down in Georgia somewhere! With all the golfing he does in Washington and did out in Denver last Summer, you'd think he'd be more interested in our brave soldiers and sailors than trying to crack 90 on a golf course.

WASHINGTON

Adlai May Run Again; White Case Clarified

By RAY TUCKER

WASHINGTON, Dec. 3—Despite Adlai E. Stevenson's continued coyness with respect to his 1956 plans and prospects, Democratic leaders everywhere now believe that he is an active candidate for a Presidential renomination. His remarks during his recent sally through the South have removed any doubt on the question from their minds.

A key factor in their belief is that the 1952 nominee will not say flatly that he would not like to try it again. His invariable response was that "I don't know my future political plans, and if I did, I wouldn't tell you." That is not the answer of a man who has decided irrevocably to withdraw from politics or public life.

His five-month tour of 30 countries was not the action of a man whose first experience in national politics had embittered or disillusioned him.

He actually enjoyed the honors that were showered upon him, although the endless rounds of receptions, dinners, addresses and press conferences wore out the relatively young men who accompanied him. He accumulated a fund of data that would be invaluable to the head of a state.

* * *

POLITICAL GROWTH: It is also considered significant that he has rejected scores of lucrative offers to teach, to lecture, to engage in a weekly radio or television program, or to write a newspaper column.

Although willing to express his views on the national problems in speeches and interviews, he, apparently, avoids commitments that require him to sound off regularly and hastily, just to meet a deadline. That way he could destroy his public value and usefulness.

Finally, he has grown in stature at the very moment when there is a dearth of available candidates in the Party ranks. The New York faction, as a result of Robert F. Wagner's Mayorality triumph, will probably offer Rep. Franklin D. Roosevelt Jr. or Averell Harriman as ultra-liberal entries.

But they would face Southern opposition that a more experienced and mellowed Stevenson might not arouse. In fact, there is talk of Sen. Richard B. Russell of Georgia as a possible Vice Presidential candiate on a Stevenson ticket.

* * *

WHITE CASE CLARIFICATION: Former President Truman's political and journalistic friends have now boiled down their defense of the Harry Dexter White promotion to the fact that evidence presented to a New York Grand Jury in 1947—more than a year after FBI warnings of the Treasury official's disloyalty—was insufficient to obtain an indictment.

But FBI Director J. Edgar Hoover, whose political detachment and independence are not questioned. clarified this point in a generally overlooked exchange with Jay Sourwine, assistant counsel to the Senate Internal Security subcommittee.

"I opposed," said Hoover, "the production in court at that time, or the presentation to a Grand Jury, of some of the material because of its highly confidential nature."

Hoover also cleared Atty.-Gen. Herbert Brownell Jr. of the charge that the latter had used the FBI's secret files illegally or politically. According to the Director, he had no objection to his superior's action in making public a general summary of their content and making his own evaluation of them.

The Worry Clinic

By DR. GEORGE W. CRANE

VICTOR K. is a factory superintendent.

"Dr. Crane, last week I was asked to write a letter of recommendation for one of my men who is moving elsewhere to take a new job," he spoke gloomily.

"But now I find that this man I recommended is irate at me. He thinks my letter wasn't much of a boost for him.

"Maybe he is correct, I don't know. For I never was very skilful in saying things. I blurt out what I think. I tend to speak sharply. My sentences are few and short.

"Perhaps my letters don't sound very cordial or friendly. What would you suggest, Dr. Crane?"

MEN WHO DEAL with machines and other objects which can't talk back, are often very direct in their thinking and blunt in speech. For tact is learned by dealing with people, not with machines.

Many business executives don't realize the terror and inefficiency created by their "barking" tones and terse commands.

Their gruffness is understood by members of the family, who have had to grow used to it through the years.

But new employes or strangers may misunderstand and resent such tactics. Or they quiver inwardly and develop peptic ulcers, spastic colitis, high blood pressure and numerous other unpleasant medical reactions.

* * *

DEALING WITH people is vastly different from dealing with chemicals or ledger sheets, bricks or other inanimate objects which don't have feelings.

Part of the strategy in motivating people consists in an attractive "packaging" of one's ideas. Tact may involve a few more words than bluntness, but it promotes better employer-employee relations.

"Get me that letter from Brown and Company!" the introvertive boss barks, and the new secretary then quakes with fear.

"I wonder if you could find that letter from Brown and Company?" smiles the extrovertive boss, and the girl isn't so terrified.

For his smile takes the ugly harshness out of his tone and gives his words a more friendly, cordial sound.

Radio performers long ago learned this knack of smiling, whether they feel it or not, just because of the more pleasing tonal qualities that will then issue from their lips.

HOLLYWOOD, Dec. 3—It's to be hoped that after a sad jam the wife of a western star found herself in the past week, he will now take a step (a legal step, if necessary) he has procrastinated about for over a year. Out of the kindness of his heart, he has made no move toward a divorce though they've been separated a long time. He has, however, tried to get his wife to go to one psychatrist after another—and at one point even got her promise to enter a sanitorium for treatment as an alcoholic. Now, close friends of both feel this successful guy should risk embarrassment no longer! And that he'd be a fool not to take matters into his own hands. Even if he has to force treatment on the gal, whose case is really pitiful.

The bag was first missed yesterday morning when Dr. Sheppard started out to make her daily rounds. What would anybody want with a doctor's bag? That's easy, Dr. Sheppard explained. Many doctor's bags contain small quantities of narcotics, which can be peddled on the black fence for fancy figures.

YOUR HEALTH

By HERMAN N. BUNDESEN, M.D.

THE WIDESPREAD use of laxatives and sleeping pills notwithstanding, the antibiotics are the items on your druggists' shelves that account for about one-third of the American drug bill.

No one can deny that excellent results follow the use of the antibiotic drugs in many infections. However, it is also very evident that the more extensive self-administration of these drugs has resulted in some adverse effects.

As with any drug, an allergy or oversensitivity can occur with the use of any of the antibiotics. The chances of this occurring are even greater if the drug has been previously administered.

Reactions due to sensitivity to penicillin occur in as high as one out of every eight persons Persons with a history of asthma, hay fever, or eczema are more subject to antibiotic reactions than others and therefore great caution should govern their administration.

Many persons thoughtlessly take an antibiotic drug once prescriped by a physician for a special illness, without their physician's knowledge. They may take it for a disease in which there are no accepted indications for these drugs.

Some of these people can develop very severe reactions as a result of such indiscriminate use. They may also prevent effective use of these drugs for their benefit at some time when they might serve a better purpose.

Any person receiving any antibiotic drug should be under the care of a physician in order that the development of any adverse or toxic reactions can be observed firsthand.

It is evident that there could be some adverse consequences to the use of the antibiotics. However, with the present benefits obtained, these should be slight, if used properly under the direction of a physician.

Wayne Knause A Good Choice

THE Republicans couldn't have picked a better man as president of borough council than Veteran Councilman J. Wayne Knause. Mr. Knause will crack his first gavel next month when the GOPs, victorious in the past month's election, will take over the reins from the Democrats.

For nine years Mr. Knause has served his Seventh ward constiutents courageously, conscientiously and faithfully.

Selected to fill an unexpired term, Mr. Knause three times was returned to office by the people he represented. Only the past month he scored a decisive victory over his Democratic opponent for another four-year term.

Mr. Knause is eminently qualified to fill the borough president's shoes because of his experience in borough affairs and because of the efficient manner in which he has conducted his part of the borough's operations.

Never a man to adhere strictly to party lines, Mr. Knause was forthright in his convictions regardless of party maneuvering and strove to do the right thing let the chips fall where they may.

The selection of Mr. Knause as borough president was particularly appropriate in that the Republicans are going to adopt a new scheme of council committee selection.

In this Mr. Knause, as president, will name the chairman of each committee. And its members in turn will be named by the chairman.

Mr. Knause, familiar both with party politics and with efficent council procedure, is a good choice to perform the function of chairman picker. A resident of Pottstown for the past 29 years, he has served at one time or another on every one of the borough council committees.

Thus he is exceedingly familiar with the qualifications and requisites that a committee chairman post demands and therefore is completely equipped to make the choices.

Following in the wake of an inept Democrat at the head of the borough government, the Republicans will have turbulent waters come next month. But with Mr. Knause at the council helm, Republicans seem headed for calm and smooth passage.

Protect the Kiddies

POTTSTOWN Fire Chief Richard E. Lindauer yesterday in The Mercury pleaded for Christmas fire safety. His rules for flameproofing, his hints for removing hazards were excellent.

It must be remember, too, that holidays can be dangerous days for the youngsters. The menace is fire.

Excited and over-tired youngsters are especially vulnerable to the dangers of loosely woven costumes and party dresses, decorative candles and unsafe toys.

Protect them by following these simple fire safety suggestions:

1. Flameproof children's clothing made of loosely woven materials.
2. Remember, candles are dangerous at any time—but particularly when there are children around. Electric candles are just as effective in decorating, and much safer.
3. When buying electrical toys of any type, always look for the UL label. It means the toys have passed Underwriters' Laboratories tests for fire and shock hazards.
4. Some types of toys, such as those involving flame or pressure, should not be given to little children. Others, such as chemical sets, should be selected with care, and play with them should be supervised.
5. Never leave children at home alone!

Go West, Young Woman

THERE are more women than men in the United States. The 1950 census reported that, out of a total population of 150,697,361, there were 49,556,000 females over 21 but only 47,860,228 males over 21. It also noted that in only 16 states of the 48 did men outnumber women.

Most of those states are west of the Mississippi, The exceptions are West Virginia, Michigan and Visconsin. East of the Rockies, there are also more men than women in Minnesota, Nebraska, North and South Dakota. From there on west men tend to predominate. There are more men than women in Utah, Idaho, Montana, Wyoming, New Mexico, Arizona and Nebraska. In Colorado the number of women exceeds that of men. On the Pacific Coast there are more men in Washington and Oregon, but fewer in California.

Almost a century ago Horace Greeley wrote an editorial saying "Go West, young man." Evidently his advice has been taken. But marrying is an old custom which most women believe in and the wise hunter goes where the quarry is abundant.

'Speed Kings' Cause Mishaps

Put Governors on Cars

To the Editor: As a veteran motor car driver I am surprised to read the letter in The Mercury written by salesman (**"No Speed Limit Best," Readers Say, Nov. 27**) who claims elimination of all speed limits on the highways would be best.

I will admit by my observations while driving daily that many other motorists are of your opinion and that they proceed to drive about as fast as their machines will travel.

It is also noticeable if you read The Mercury that many of these speed kings are figuring in crashes, most of them serious and some even fatal.

A State Motor Patrolman from the Collegeville barracks tells me that 95 percent of the accidents are caused directly or indirectly by speeding and he should know.

He also states that about 35 percent of persons operating cars are not mentally or temperamentally fitted to drive machines.

I hope the Salesman is not in this category. He states in his letter he has never had an accident. Maybe this is because the other drivers he has encountered are careful and dodge out of his way.

The numerous crashes in which the investigating officer is told by the driver "I lost control" are the result of speeding.

There is getting to be an epidemic of crashes in which cars upset on curves, crash against poles and trees and run head on into trucks and other machines not to forget to mention the cars that dash into the rear of trucks and cars.

Let's put governors on car motors so that they cannot go more than 60 miles an hour and then enforce the state 50 mile an hour speed limit.

Pottstown CAREFUL DRIVER

The Farmer's Side

To the Editor: This is in answer to Shop Worker's letter ("Farmers Growing Fat," Readers Say, Dec. 1).

In the first place, Shop Worker is to be pitied, for he shows he has a mental age of about six years and knows nothing about farming.

He claims the farmer works about seven months out of a year. I suppose the cows milk themselves the other five months.

He does not know that during the Summer the farmers' day is often 14 hours long and counting eight hours as a work day, that makes almost two days in one.

Another thing Shop Worker does not know is that the farmer has thousands of dollars invested in live stick, machinery and land.

A medium sized tractor costs $3000. The farmer has repair bills and operating expenses to pay. There is depreciation on machinery, buildings, etc. He has to pay high taxes and insurance, just to mention a few items. He takes a risk that storms, floods and drouth may wipe out a whole year's work.

As for the government subsidy on farm produce, it is only a small fraction of the amount of the government subsidy to the publishing business, just to name one.

Intelligent city people, however, know that food is indispensable and that the farmer needs the product of the factory to produce food.

The intelligent thing to do is for everyone to do his part so that a maximum of happiness can be had by all.

I wish Shop Worker a merry Christmas and while he has his holiday I will be milking the cows as usual so that he can have his milk on the table.

The cattle need care and feeding all year to help bring those things to your door.

President Is Missing

To the Editor: I think it is a shame that President Eisenhower didn't think enough of our Army and Navy to be at the football game on Saturday in Philadelphia. It's a long established tradition that the President of the United States sits on one side of the field for the first half and on the other side for the second half.

But where was President Eisenhower? He was golfing down in Georgia somewhere! With all the golfing he does in Washington and did out in Denver last Summer, you'd think he'd be more interested in our brave soldiers and sailors than trying to crack 90 on a golf course.

WASHINGTON

Adlai May Run Again; White Case Clarified

By RAY TUCKER

WASHINGTON, Dec. 3—Despite Adlai E. Stevenson's continued coyness with respect to his 1956 plans and prospects, Democratic leaders everywhere now believe that he is an active candidate for a Presidential renomination. His remarks during his recent sally through the South have removed any doubt on the question from their minds.

A key factor in their belief is that the 1952 nominee will not say flatly that he would not like to try it again. His invariable response was that "I don't know my future political plans, and if I did, I wouldn't tell you." That is not the answer of a man who has decided irrevocably to withdraw from politics or public life.

His five-month tour of 30 countries was not the action of a man whose first experience in national politics had embittered or disillusioned him.

He actually enjoyed the honors that were showered upon him, although the endless rounds of receptions, dinners, addresses and press conferences wore out the relatively young men who accompanied him. He accumulated a fund of data that would be invaluable to the head of a state.

* * *

POLITICAL GROWTH: It is also considered significant that he has rejected scores of lucrative offers to teach, to lecture, to engage in a weekly radio or television program, or to write a newspaper column.

Although willing to express his views on the national problems in speeches and interviews, he, apparently, avoids commitments that require him to sound off regularly and hastily, just to meet a deadline. That way he could destroy his public value and usefulness.

Finally, he has grown in stature at the very moment when there is a dearth of available candidates in the Party ranks. The New York faction, as a result of Robert F. Wagner's Mayorality triumph, will probably offer Rep. Franklin D. Roosevelt Jr. or Averell Harriman as ultra-liberal entries.

But they would face Southern opposition that a more experienced and mellowed Stevenson might not arouse. In fact, there is talk of Sen. Richard B. Russell of Georgia as a possible Vice Presidential candiate on a Stevenson ticket.

* * *

WHITE CASE CLARIFICATION: Former President Truman's political and journalistic friends have now boiled down their defense of the Harry Dexter White promotion to the fact that evidence presented to a New York Grand Jury in 1947—more than a year after FBI warnings of the Treasury official's disloyalty—was insufficient to obtain an indictment.

But FBI Director J. Edgar Hoover, whose political detachment and independence are not questioned, clarified this point in a generally overlooked exchange with Jay Sourwine, assistant counsel to the Senate Internal Security subcommittee.

"I opposed," said Hoover, "the production in court at that time, or the presentation to a Grand Jury, of some of the material because of its highly confidential nature."

Hoover also cleared Atty.-Gen. Herbert Brownell Jr. of the charge that the latter had used the FBI's secret files illegally or politically. According to the Director, he had no objection to his superior's action in making public a general summary of their content and making his own evaluation of them.

"Get me that letter from Brown and Company!" the introvertive boss barks, and the new secretary then quakes with fear.

"I wonder if you could find that letter from Brown and Company?" smiles the extrovertive boss, and the girl isn't so terrified.

For his smile takes the ugly harshness out of his tone and gives his words a more friendly, cordial sound.

Radio performers long ago learned this knack of smiling, whether they feel it or not, just because of the more pleasing tonal qualities that will then issue from their lips.

POPULAR DRAMA — "Way Down East" scored its usual hit in the Grand Opera House last night. There was a big audience. This play and "Old Homestead" retain their popularity every season.

'QUICK, THE NEEDLE!'

Hollywood

By EDITH GWYNN

HOLLYWOOD, Dec. 3—It's to be hoped that, after a sad jam the wife of a western star found herself in the past week, he will now take a step (a legal step, if necessary) he has procrastinated about for over a year. Out of the kindness of his heart, he has made no move toward a divorce though they've been separated a long time. He has, however, tried to get his wife to go to one psychatrist after another—and at one point even got her promise to enter a sanitorium for treatment as an alcoholic. Now, close friends of both feel this successful guy should risk embarrassment no longer! And that he'd be a fool not to take matters into his own hands. Even if he has to force treatment on the gal, whose case is really pitiful.

Greer Garson

* * *

THE IDA LUPINO-Howard Duff "final" bust-up of a few days ago, just had to happen. When two people seldom, if ever laugh together, how can things last??. . . . Guy Mitchell, who sings a good song, was warbling in the direction of Debbie Reynolds (with Bob Neal) at Ciro's ringside. Johnny Meyer was with beauteous brunette, June Baylor; Dorothy Shay with two congressmen, who objected to NOTHING in the entertainment! . . . Bob Hope, Jane Powell, Jack Benny, Dick Powell, Terry Moore, Dean Martin and Jer' Lewis were set to do their stuff at Ciro's yestereve—in the benefit of bandleader Bobby Ramos. Latest is that Ramos won't be able to work for a year—following his awful car crackup.

* * *

IF GREER Garson and MGM say good-bye next Spring when her contract there is over, G.G. has no problems! Not money problems, anyway. As we mentioned some time ago, when Greer signed a new deal couple of years ago, she not only became a participant in the studio's "pension plan," but things were arranged so that when she quit, she'd have an income of $30,000 a year for life! . . . Going Places: Audrey Hepburn left for New York to start rehearsals for the play, "Ondine." Mel Ferrer will be her co-star . . . Humphrey Bogart and Edmund O'Brien flee to Italy to join Ava Gardner in "The Barefoot Contessa." . . . Sid Chaplin and Dawn Addams (she's been here "a few minutes" making "Khyber Pass") soon start "My Kingdom for a Wife," to be filmed mostly in France, with Gregory Ratoff directing. That's what one announcement says, anyway.

Pottstown Sketches

"I wonder where they find all the vacant lots to throw them, Susie Keene?"

ALL AROUND THE TOWN

Doctor Loses Bag... Bronze Star to Russell...

★ **BAG THEFT—Dr. Alice E. Sheppard,** the North Franklin street medico, had her doctor's bag pilfered the other night. The bag contained such doctor's necessitities as variously covered pills, blood pressure apparatus, stethoscope, etc. Dr. Sheppard doesn't know whether the theft happened in Pottstown or Bryn Mawr where she went to a meeting and left her car parked outside the Bryn Mawr hospital. The bag was first missed yesterday morning when Dr. Sheppard started out to make her daily rounds. What would anybody want with a doctor's bag? That's easy, Dr. Sheppard explained. Many doctor's bags contain small quantities of narcotics, which can be peddled on the black fence for fancy figures.

* * *

DECORATED—LT. ROBERT RUSSELL, the ex-West Point football great, who presently is serving with headquarters battalion in the artillery in Korea, has received the bronze star "for bravery or meritorious work." The medal was sent home to Lt. Russell's parents, MR. AND MRS. RAYMOND RUSSELL, Maple Gardens, with a letter that said the award came as a great surprise. "In mess," the letter said, "I was asked to come forward. When I got there, they awarded me this medal. It was a complete surprise."

* * *

★ **LIGHTS NEARER**—Those traffic lights planned for three West High street points some time ago are coming closer to reality. The standards were planted and the wires were strung some time ago. This week the lights themselves were placed in position . . . Lots of wise words are dispensed about watching out for Christmas tree fires. But paper wrappings, excelsior, etc., present just as serious a hazard. So as soon as you've got those merry Christmas presents unwrapped and admired, get rid of the wrappings. Either bundle them for future use or throw 'em out altogether.

* * *

SERVICE STUFF—Pvt. JOSEPH D. KOREN, son of MRS. MARY KOREN, 330 Cherry street, is with the Army's transportation railway shop battalion in Pusan, Korea. Koren is a pipefitter. He entered the Army in March, and completed basic training at Fort Eustis, Va. A 1950 graduate of Pottstown High school, he was last employed by the Doehler-Jarvis corporation . . . Cpl. JOHN W. HILBERT, Gilbertsville, has been discharged from the Army Air Force after 21 months service. He was in the supply division and for the past year had been stationed in Korea. Before entering service, he worked for the Norco Nipple works. He is married and the father of a 14-months-old daughter, Debra. Hilbert is a son of MR. AND MRS. JOHN S. HILBERT, Gilbertsville. At present, his plans for the future are uncertain.

* * *

★ **SUNSHINE SEEKERS—Bill Foulk,** the Rosedale Diner majordomo, took off with his missus for the sunshine of Florida. They plan to be away for a couple of weeks, the main portion of their trip being a trip to Alabama where Foulk will visit his father, whom he hasn't seen in nine years . . . **Orton C. Beacraft,** the former Pottstown Auto club exec, is preparing for his annual trek to Florida. Beacraft hasn't set a date for his winging South because his wife wants to leave now, and O. C. doesn't want to go until after Christmas. The Beacrafts, of Sanatoga, are making an annual habit of spending the Winters in the South . . . **Harry Yergey,** the Empire Hook and Ladder driver, got a shock yesterday when he read of the sudden, heart-failure death of a fireman friend of his, Chief Edward C. Dell, of the Reading fire department. Dell was only 58. Yergey said he's cutting down on his weight to save the load on his heart! . . . GIVE AWAY DEP'T—Spaniel puppy, male, two months old. Mrs. Emma Richards, 917 Walnut street . . . Upright piano, good tone, William Raquet, Parkerford, 'Phone Linfield 4671.

YOUR HEALTH

By HERMAN N. BUNDESEN, M.D.

THE WIDESPREAD use of laxatives and sleeping pills notwithstanding, the antibiotics are the items on your druggists' shelves that account for about one-third of the American drug bill.

No one can deny that excellent results follow the use of the antibiotic drugs in many infections. However, it is also very evident that the more extensive self-administration of these drugs has resulted in some adverse effects.

As with any drug, an allergy or oversensitivity can occur with the use of any of the antibiotics. The chances of this occurring are even greater if the drug has been previously administered.

Reactions due to sensitivity to penicillin occur in as high as one out of every eight persons. Persons with a history of asthma, hay fever, or eczema are more subject to antibiotic reactions than others and therefore great caution should govern their administration.

Many persons thoughtlessly take an antibiotic drug once prescriped by a physician for a special illness, without their physician's knowledge. They may take it for a disease in which there are no accepted indications for these drugs.

Some of these people can develop very severe reactions as a result of such indiscriminate use. They may also prevent effective use of these drugs for their benefit at some time when they might serve a better purpose.

Any person receiving any antibiotic drug should be under the care of a physician in order that the development of any adverse or toxic reactions can be observed firsthand.

It is evident that there could be some adverse consequences to the use of the antibiotics. However, with the present benefits obtained, these should be slight if used properly under the direction of a physician.

A second and a third tour of the America houses followed for Williams, the third concert tour accompanied by pianist Pvt. Clark Keen who replaced the rotating Fisher.

* * *

AN AVALANCHE of publicity was given Williams by the German radio and newspapers throughout the German command.

Williams is 22 years old. He began singing at school assemblies and in churches as a pupil at Pottstown Senior High school. Williams also sang with various combos in the Pottstown area.

Winning two amateur events in the local theaters, he earned featurd spots (in clubs). Before entering the Army, he performed in Convention and Merchant halls in Philadelphia.

He received his Army training as an anti-aircraft artilleryman at Ft. Bliss, Tex. Arriving in Frankfort, Germany he was assigned to V Corps special services. In Frankfort he sang on the American Forces Network on "Service Star Time" and "Pyramid of Stars". Transferred to the Seventh Army special services, Williams found his present job.

He has also recorded with the Stuttgart light symphony orchestra and prepared in the Hidenburgbau restaurant club in Stuttgart. Williams often sings curent "pop" tunes to his fellow servicemen.

He is still trying to satisfy America house demands. The Tuebing house has booked him three times with full halls each time.

Williams is the son of Mrs. Henry Dozier, 327 Grant street.

Unfortunately for the German public, Williams will rotate back to Pottstown in two months. He plans to prepare in earnest for a concert career upon his discharge from the Army.

Winning two amateur events in the local theaters, he earned featurd spots (in clubs). Before entering the Army, he performed in Convention and Merchant halls in Philadelphia.

He received his Army training as an anti-aircraft artilleryman at Ft. Bliss, Tex. Arriving in Frankfort, Germany he was assigned to V Corps special services. In Frankfort he sang on the American Forces Network on "Service Star Time" and "Pyramid of Stars". Transferred to the Seventh Army special services, Williams found his present job.

He has also recorded with the Stuttgart light symphony orchestra and prepared in the Hidenburgbau restaurant club in Stuttgart. Williams often sings curent "pop" tunes to his fellow servicemen.

He is still trying to satisfy America house demands. The Tuebing house has booked him three times with full halls each time.

Williams is the son of Mrs. Henry Dozier, 327 Grant street.

Unfortunately for the German public, Williams will rotate back to Pottstown in two months. He plans to prepare in earnest for a concert career upon his discharge from the Army.

McCarthy Calls for Nationwide 'Write the President' Campaign

WASHINGTON, Dec. 3 (AP)—Senator McCarthy (R-Wis), disowning any idea of challenging President Eisenhower's leadership, called today for a nationwide "Write the President" campaign designed to reverse one phase of Eisenhower foreign policy.

Speaking out within 24 hours after Eisenhower warned against "coercion" of America's Allies, McCarthy requested all who agree with his views to write or wire the President asking him to halt what McCarthy termed the "blood trade" with Red China.

McCarthy said he is in "complete disagreement" with secretary of State Dulles on the question of continued aid to countries trading with the Chinese Communists.

Dulles' stand, as set forth at his news conference on Tuesday, is that US dollar aid to friendly nations "does not give us the right to dictate their trade policies."

* * *

THE President backed Dulles to the hilt at his own news conference yesterday and cautioned that "the easiest thing to do with great power is to abuse it."

McCarthy's statement was made about 10:45 a. m. today. The White House said this afternoon that as of 4 p. m. it had received nine telegrams in response to the senator's write-in appeal, all of them backing McCarthy's views.

At 8:30 p. m. Murray Snyder, the President's assistant press secretary, said that up to that time about 120 telegrams had been received.

Asked if they all supported McCarthy's stand, Snyder said:

"No, they are not all one way by any means, but we will have to wait until tomorrow to get a breakdown."

He said no further count of telegrams would be given out tonight.

Children Get Gifts At Annual Party Held by Optimists

Turkey dinner with all the trimmings and gifts for all children present highlighted the annual Christmas party of the Pottstown Optimist club last night.

The party was given by the Opti-Mrs., the feminine version of an Optimist.

There were 120 persons present, including about 65 children, in the cafeteria of the North Coventry Elementary school.

After dinner, the gathering moved to the gymnasium and auditorium, where Santa Claus handed out the gifts. Cartoons and Christmas films were shown by John Howard.

* * *

MRS. Stanley Jones, president of the Opti-Mrs., presented Optimist Club president Bruce Lessig with a $100 check for the club's boys' work fund. Lessig in turn presented Mrs. Elwood Angstadt with a check for her work on the club's weekly bulletin.

The dinner was served by the ladies of the Norco Parent-Teacher association.

Committee in charge of arrangements included Mrs. Lessig, Mrs. Angstadt, Mrs. Ray Meyer, Mrs. Earl Seibert, Mrs. Clyde Miller and Mrs. Leroy Keyser.

asked for $16,000 each at the start of the year.)

At the meeting Monday, representatives of the three companies will be asked to go over their financial statements with the finance committee.

* * *

COUNCILMAN J. Wayne Knause, chairman of the finance committee, said at the fire committee meeting that he was unhappy over the reports submitted by the companies

He said that the companies submitted general statements on their total expenditures.

Knause said that they were fine statements but that he wanted to statements which specifically showed how the fire companies spent the $11,500 alloted by the borough.

At the same fire committee meeting, the companies said they would need $16,000 to operate in 1954 and that a $36,000 hook and ladder truck should be purchased for the not-yet-completed North End Fire house.

DEER —

(Continued From Page One)

"Bud" Wilson, all of Pottstown RD 4, will remain in Clinton county the rest of the week.

An eight-point antlered buck weighing 150 pounds was shot near Hawley, Wayne county, by Detective Paul Anderson, 203 South Hanover street, who returned yesterday with the first deer he shot in 25 years of big game hunting. Anderson is a Pennsylvania railroad detective.

Lloyd D. Klink Sr., of 464 North Hanover street, and Lloyd Klink Jr., of 16 Walnut street, are members of Anderson's party.

A Douglassville man joined the ranks of nimrods, too.

He is William Yost, Douglassville RD 2. Yesterday afternoon, about one mile and a half from Amityville, he brought down a 150-pound four-point buck.

His first shot nicked a hind leg. The second shot did the job.

Ingenuity lightned Yost's hauling job. After dragging the deer part way, he went home and picked up a wheelbarrow.

Although not quite so romantic looking it was a lot easier on the legs.

Gene Orlando, Mercury photographer, got a six-point buck the other day in Potter county.

He's gunning there with a nephew, Richard Davidheiser, Pottstown RD 3, who got a four-pointer.

A brother Charles is also along on the expedition.

Parking Hazardous Near Police Station

LITTLE ROCK, Ark., Dec. 3 (AP)—Patrolman H. E. Adcock was investigating a traffic accident when a woman approached and said she was a witness to the mishap.

"Mrs. H. E. Adcock," came the reply.

Adcock checked to find that a Mrs. H. E. Adcock did indeed live here. The patrolman is unmarried.

A Douglassville man joined the ranks of nimrods, too.

He is William Yost, Douglassville RD 2. Yesterday afternoon, about one mile and a half from Amityville, he brought down a 150-pound four-point buck.

His first shot nicked a hind leg. The second shot did the job.

Ingenuity lightned Yost's hauling job. After dragging the deer part way, he went home and picked up a wheelbarrow.

Although not quite so romantic looking it was a lot easier on the legs.

Gene Orlando, Mercury photographer, got a six-point buck the other day in Potter county.

He's gunning there with a nephew, Richard Davidheiser, Pottstown RD 3, who got a four-pointer.

A brother Charles is also along on the expedition.

Pottstown's Prides

Another in the series of beautiful homes that make Pottstown warm

—Mercury Staff Photo

August seems to a big month in the lives of Mr. and Mrs. Marton Sahagian, who own this cozy home at 179 Reynolds avenue.

They purchased this two-story, stucco home three years ago the past August. It has two bedrooms, a living room, kitchen, bathroom, basement, and two unfinished rooms on the second floor.

The Sahagians added the beautiful aluminum awnings, and made the surroundings attractive by the addition of the light standard on the lawn.

The Sahagians (Marty is well known around town as a former counterman in Pottstown restaurants), now own their own luncheonette at Kenilworth at the intersection of the old and new roads. Sahagian bought that a year ago—in August! The first of August Sahagian also was in the hospital for an operation, is back to work now only a few weeks.

The couple has a daughter, Betty Jean, who is 21 years old.

The Sudan is about the size of the United States east of the Mississippi river.

Other survivors include his widow, Mrs. Lettie Patterson Shedd, and a son, Lt. Col. W. E. Shedd 3d, now stationed in Manila.

There's nothing like a belt to give you confidence, these Fifth graders at the Rupert school have discovered. Suspenders may sag and let you down, especially if the elastic gets limp from too much snapping by the fellow in the seat behind you.

That's why this crowd goes for fancy leather that stays tough. Those white Safety Patrol belts are real eye-catchers, too.

Yes, take sparkling Sal Hepatica before breakfast and feel fine again ... usually within an hour. Or, take it in the evening one-half hour before supper and feel fine again by bedtime! Sweetens sour stomach, too! So keep Sal Hepatica handy in your medicine chest.

CONSTIPATED?
Here's happy news for constipation sufferers from James J. Driscoll, 2nd of Connellsville, Pa.

"I never imagined I could get such blessed, fast relief from constipation as I do now. I used to suffer terribly from constipation—go most of the day before I got any sort of relief.

"But that was before I learned about Sal Hepatica's gentle, speedy action. It's wonderful. If I take it before breakfast, I get relief usually within an hour!"

Yes, take sparkling Sal Hepatica before breakfast and feel fine again ... usually within an hour. Or, take it in the evening one-half hour before supper and feel fine again by bedtime! Sweetens sour stomach, too! So keep Sal Hepatica handy in your medicine chest.

Joe L. Bowen Elected President Of American Business Club for '54

Joe L. Bowen was elected president of the American Business club for the coming year last night.

He will take office the first week in January, 1954, along with eight others who were elected at the weekly meeting in the Elks home.

Bowen, who has been first vice president of the local club and Pennsylvania governor of the ABC, will replace Walter F. McCurdy, outgoing president who presided last night.

Other new officers are: Robert Eppehimer, first vice president; George Longacre, second vice president; Pete Grubb, treasurer and Stanley Freese, secretary.

Men elected to the board of governors included Richard Christ, Daniel Keene, Russell Shanley and Edward Weimer.

Tickets for the benefit basketball game between Pottstown and Yeadon High school were passed out to the 50 members who attended. Proceeds of the game will go toward the local craft shop.

The report of the club's recent hobby show is still incomplete, it was announced at the meeting.

Absent Minded Prof Has Nothing on Him

NORTH LITTLE ROCK, Ark., Dec. 3 (AP)—Postmaster O. W. Neely received a letter from a man in California trying to locate a friend. The Californian took a page to say, among other things, that letters had been returned, etc.

Neely says he can't be of much help. Nowhere in the letter did the writer mention a name.

SANTA —

(Continued From Page One)

possibility. That's why he's got wheels on his sleigh now.

It'll be the same old sleigh, though. Some say it's at least a hundred years old. The only new touch is the all-weather landing gear.

Nothing much stops Santa when he takes to the air—or decides to take to the ground—and he knows the route from Trappe to Schwenksville. He made the same trip up Route 29 the past Christmas season.

* * *

SO HE'LL be driving into Rahns at 1 p. m.; Graterford at 2 p. m. and Schwenksville at 3 p. m.

From his headquarters, he'll continue on to Spring Mount and Zieglerville, then double back, returning to the Kratz store to stay at 4 30 p. m.

Crowds of happy children, out of school early for the occasion, will greet the old gentleman along his route to the store.

Later at his headquarters, he will be at home to the expected 1000 children who will come to see him.

He'll be in the store tomorrow, too—from 9 a. m. to 9 p. m

Leon Gaugler, store manager and special assistant to Santa, will help pass out free gifts to the little visitors.

The fines were administered by the weighting committee—Charles Custer, Irv Reigner and Isaac Miller.

CLOTHING PICKED up in the trucks will be taken to the King Street armory and sorted. Scouts also will help in this task.

Richard Dutcher, district scout executive, will direct the scouts in their part of the undertaking.

These Rotarians are chairmen of the various committees set up to help smooth the operation along: Alfred Haas, Warren F. DeLong, Good, Harold G. Bauman, Oliver Christman, Willard L. Khne, Reifsneider, Joseph L Prince, C. Gordon Astheimer, Herbert Houck, Karl Schumacher, Robert Evans Jr., E. K. Lindemuth, Barry Pierce and Charles Nagle.

Dr. A. V. Purinton, a member of the University of Michigan faculty, and a public relations speaker for the dental profession, spoke at the meeting.

He outlined three major benefits which people receive from "Their Fried the Dentist."

1. Prolongs their life.
2. Helps people to get jobs and get along better socially.
3. Protects and cares for their teeth.

RE-ENLISTS — Robert T. Bailey, 25, son of Mr. and Mrs. Paul Bailey, 410 South street, has re-enlisted in the Army, it was announced yesterday. Bailey spent seven years in the Army from 1945 to 1952. He went back into the service with the rank of corporal. Now at Fort Meade, Maryland, he'll be transferred soon to Fort Devens, Mass.

Martin, Duff Report Mail on Case Light

WASHINGTON, Dec. 3 (AP)—Aides to US Senators James Duff and Edward Martin, Pennsylvania Republicans, reported today that mail on the Harry Dexter White case has been very small—about 100 letters to each.

Mail was heavier on many other occasions. For instance when President Truman fired Gen. Douglas MacArthur two years ago the two senators received tens of thousands of letters and telegrams. And when Mr. Truman took over the steel industry the postman brought in a heavy load of mail.

The Duff and Martin aides said that most of the letters on the White issue mainly urge the senators to continue support of President Eisenhower and his fight to rid the Government of Communists.

SCHOOL —

(Continued From Page One)

member. Like the rest of the board members, he is a Republican.

J. Herbert Windolph, a 30-year man on the board, has been president for the past four years. Mrs. Martha M. Acker, secretary for the past 14 years, has been a board member for 20 years.

William F. Wilson, who retired from the board after 30 years, will leave the office of treasurer open.

Mrs. Regina Mill is the fifth member of the board. She has served four years.

Upper Frederick

Upper Frederick township's new school board president, Clarence Renninger, is a veteran of 17 years on the board.

Renninger was elected at a reorganization meeting held the past Tuesday.

The new president, a Democrat, has served in all offices on the board. He was vice president just previous to the past Tuesday, but he had been president before.

Earl S. Markley, a Republican, was elected vice president although he was elected to the board only a few weeks ago.

Edward Rugin, who will soon complete his first year as board treasurer, is in public office for the first time. He replaced Stanley Kirchner, who is no longer on the board.

James Needs, former president, is still serving on the board.

Needs and Rugin are both Democrats, while another member, John Kulp, is a Republican.

Mrs. Thelma M. Schmoock, a non-member, is secretary to the board.

Spring City

One new member will be sworn into office at the Spring City reorganization meeting.

He is Dr. Christian M. Moser, who was elected the past November. He'll replace Warren Woodward, who served for 24 years in numerous capacities on the board and decided not to run this year.

The president of the board is A. Bennett Wagoner. He has held the post for close to ten years and has served on the board for more than 20 years.

E. C. Willever, member for the past 17 years, is treasurer.

Alfonso J. Balch has been on the board five years and served the past four of them as secretary.

The fifth member is Carl F. Slioneman. He filled in an unexpired term of two years and was then elected for six more years.

Douglass (Montgomery)

Two men will be sworn in at the annual reorganization meeting of Douglass township school board but both are familiar with the procedure.

They are Chester Renninger and Lamar Heydt. Both men were elected in the past November's elections but both had served on the board for two years, filling out unexpired terms.

Heydt is vice president, and Renninger has served as treasurer.

William Binder, a member of 11 years, is president of the board. He has also served as treasurer.

Harvey Tagert, the present secretary, has held that post for 22 years. In all he has been a member of the board for 40 years and during that time has held every office except the vice presidency.

The present treasurer is Kermit Lenhart. He's been on the board three years.

Green Lane

Two young men, both veterans of military service, are serving in their first public office as members of the Green Lane school board.

One of them, Kenneth Kleinbach, is already treasurer as he begins his first six-year term when he was re-elected to the longer term the past Nov. 3.

Jerry W. Hunsberger, the newest elected member of the board, sat in with the other directors for the first time the past Monday night, when the annual reorganization meeting was held.

Before his recent election to a two-year term, he had been an appointed member, filling the place of Wilson Long, who had resigned.

Dr. K. E. Propst, board president, and Jacob H. Kulp, vice president, were both re-elected at the meeting. They will soon round out a half dozen years in those offices.

Scretary Elmer H. Flock is a veteran board member of 32 years standing. In that time he had been both treasurer and secretary. He assumed the latter office in 1941.

Politically the board is mixed, Democrats and Republicans both being included.

East Coventry

The makeup of the East Coventry School board remained the same this year following the Nov. 3 elections.

Earl Pennypacker was re-elected to the board, but the other members were not up for election. Pennypacker will start his third term at Monday night's reorganization meeting.

President Frank E. Elliott now is serving his second term on the board. Vice president Harry L. Brownback is near completion of his third six-year term, as is Harvey Kulp.

Board Secretary is William McLaughlin, in his first term.

All members are republicans.

Pennsburg

Vincent Beard, a new member, will sit in with the Pennsburg school board when it reorganizes Monday night.

Beard was appointed by board members at a special meeting the past Tuesday. He replaces Clarence Kline, a veteran of 12 years on the board, who resigned.

Kline was vice president of the board for ten years.

The new member formerly served as auditor for the borough of Pennsburg. As a school board member he will serve out the unexpired term of Kline, which runs to 1955.

Librand Smith, president, and Harold E. Reed, secretary, have served in those offices for the past ten years.

Norman L. Dietz was elected to the board two years ago. He also had come to the board first as an appointee, and now has almost four years' service.

C. Henry Kurz serves as board treasurer. Like all other members, he is a Democrat.

Lower Pottsgrove

Two newly-elected members of the Lower Pottsgrove School board will be sworn in at a reorganization meeting Monday night.

David Scherer will start a four-year term and Forrest Ginder will begin a six-year term. Ginder was appointed to fill the unexpired term of George L. Yocom, who moved from the township, and defeated incumbent James Scheffey in the November election. Scherer also was elected in November, defeating a Democratic candidate for the post.

President Francis L. Donnon, a non-partisan politically, has served on the board for four years. Secretary Michael Petrick and Treasurer Charles Moyer complete the board. Moyer is the only remaining Democrat on the board.

Collegeville-Trappe Joint

Joel B. Francis, a member of the Collegeville school board, is president of the Collegeville-Trappe Joint school board.

Henry W. Mathieu, president of the Trappe board, is vice president of the joint board.

Dr. Russell D. Sturgis of the Collegeville board is secretary of the joint boards. William H. Clement of the Trappe board is treasurer of the joint board.

Members of the Collegeville board include Harry Gessner, elected Nov. 3 for a six-year term; he previously had been appointed by the board to fill the unexpired term of Paul K. Butler, who resigned the past Summer. Geofirey Dolman appointed by the board the past April to fill the term of Charles A. Walker, who resigned. He will come up for election next year. Mrs. Gladys Pearlstine is the other member of the board.

The Trappe board includes Harley Shoemaker as vice president, Raymond D. Ziegler as secretary and Ernest K. Moyer.

Clement was up for election this year and won unopposed.

All members of both school boards are members of the joint board. The regular meeting night for both school boards and the joint board is the fourth Thursday of the month.

Douglass (Berks)

One new member will be sworn in at the reorganization meeting which will be held Tuesday instead of Monday night. He is Robert Conrad who'll replace Irvin W. Romich. Romich, president of the board and veteran member, was defeated in the primaries the past Fall.

John Dusco is vice president of the board. Clyde Sites is treasurer and James A. Egolf and Baker Gresh are the other two members.

The non-member secretary to the board is George Mease.

J. Herbert Windolph, a 30-year man on the board, has been president for the past four years. Mrs. Martha M. Acker, secretary for the past 14 years, has been a board member for 20 years.

William F. Wilson, who retired from the board after 30 years, will leave the office of treasurer open.

Mrs. Regina Mill is the fifth member of the board. She has served four years.

Upper Frederick

Upper Frederick township's new school board president, Clarence Renninger, is a veteran of 17 years on the board.

Renninger was elected at a reorganization meeting held the past Tuesday.

The new president, a Democrat, has served in all offices on the board. He was vice president just previous to the past Tuesday, but he had been president before.

Earl S. Markley, a Republican, was elected vice president although he was elected to the board only a few weeks ago.

Edward Rugin, who will soon complete his first year as board treasurer, is in public office for the first time. He replaced Stanley Kirchner, who is no longer on the board.

James Needs, former president, is still serving on the board.

Needs and Rugin are both Democrats, while another member, John Kulp, is a Republican.

Mrs. Thelma M. Schmoock, a non-member, is secretary to the board.

Spring City

One new member will be sworn into office at the Spring City reorganization meeting.

He is Dr. Christian M. Moser, who was elected the past November. He'll replace Warren Woodward, who served for 24 years in numerous capacities on the board and decided not to run this year.

The president of the board is A. Bennett Wagoner. He has held the post for close to ten years and has served on the board for more than 20 years.

E. C. Willever, member for the past 17 years, is treasurer.

Alfonso J. Balch has been on the board five years and served the past four of them as secretary.

The fifth member is Carl F. Shoneman. He filled in an unexpired term of two years and was then elected for six more years.

Douglass (Montgomery)

Two men will be sworn in at the annual reorganization meeting of Douglass township school board but both are familiar with the procedure.

They are Chester Renninger and Lamar Heydt. Both men were elected in the past November's elections but both had served on the board for two years, filling out unexpired terms.

Heydt is vice president, and Renninger has served as treasurer.

William Binder, a member of 11 years, is president of the board. He has also served as treasurer.

Harvey Tagert, the present secretary, has held that post for 22 years. In all he has been a member of the board for 40 years and during that time has held every office except the vice presidency.

The present treasurer is Kermit Lenhart. He's been on the board three years.

Green Lane

Two young men, both veterans of military service, are serving in their first public office as members of the Green Lane school board.

One of them, Kenneth Kleinbach, is already treasurer as he begins his first six-year term when he was re-elected to the longer term the past Nov. 3.

Jerry W. Hunsberger, the newest elected member of the board, sat in with the other directors for the first time the past Monday night, when the annual reorganization meeting was held.

Before his recent election to a two-year term, he had been an appointed member, filling the place of Wilson Long, who had resigned.

Dr. K. E. Propst, board president, and Jacob H. Kulp, vice president, were both re-elected at the meeting. They will soon round out a half dozen years in those offices.

Scretary Elmer H. Fleck is a veteran board member of 32 years standing. In that time he had been both treasurer and secretary. He assumed the latter office in 1941.

Politically the board is mixed, Democrats and Republicans both being included.

East Coventry

The makeup of the East Coventry School board remained the same this year following the Nov. 3 elections.

Earl Pennypacker was re-elected to the board, but the other members were not up for election. Pennypacker will start his third term at Monday night's reorganization meeting.

President Frank E. Elliott now is serving his second term on the board. Vice president Harry L. Brownback is near completion of his third six-year term, as is Harvey Kulp.

Board Secretary is William McLaughlin, in his first term.

All members are republicans.

Pennsburg

Vincent Beard, a new member, will sit in with the Pennsburg school board when it reorganizes Monday night.

Beard was appointed by board members at a special meeting the past Tuesday. He replaces Clarence Kline, a veteran of 12 years on the board, who resigned.

President Francis L. Donnon, a non-partisan politically, has served on the board for four years. Secretary Michael Petrick and Treasurer Charles Moyer complete the board. Moyer is the only remaining Democrat on the board.

Henry W. Mathieu, president of the Trappe board, is vice president of the joint board.

Dr. Russell D. Sturgis of the Collegeville board is secretary of the joint boards. William H. Clement of the Trappe board is treasurer of the joint board.

president. He has more than 14 years of service on the board.

The treasurer is Richard Swavely. He's put in two years.

The fifth member is Frank Kulp who has been on the board for four years.

New Hanover

The membership in the New Hanover school board will be the same for 1954 as it has been, following the re-election of two board members.

Taking their regular places at the reorganization meeting Monday will be Vice President Robert R. Nester and Secretary Claude Brendlinger, elected in the Nov. 3 vote.

President John W. Moyer will preside at the meeting. He will complete 30 years of service upon the expiration in two years of his current six-year term.

Other members are George Mutter and Merrill Erb. Erb is a Republican, but all the other members are Democrats.

Perkiomen

The only school board member to run for re-election the past Fall was successful so there will be no new members sworn in at Monday's reorganization meeting.

Floyd Landes, president, has been on the board for 16 years.

Robert T. Reifsnyder, re-elected the past Fall, is vice president. He's been on the board over one year.

Jonas Schreffler, secretary, has more than 12 years of service in.

Claude Kulp is another veteran member and Robert McCahan is treasurer.

West Pottsgrove

One new member will be sworn in at the West Pottsgrove reorganization meeting.

He is Leidy Gaugler who'll be serving his first term on the board. He replaces Fred W. Knopp who served 12 years, most of that time as treasurer.

The other members are Daniel E Harp, member four years and three of those years as president.

Albert J. Basile, vice president, is starting his tenth year. He has served as treasurer and also as president during his service.

Herbert W. Stauffer will be starting his 27th year. For most of those years he has served as secretary.

The fifth member, Leonard Bechtel, will be starting his third year. Gaugler and Bechtel are Democrats. The other three are Republicans.

Sumneytown Independent

No new men will be sworn in at Monday night's reorganization meeting. Two incumbents were re-elected at the past Fall's election. They were J. Russell Brode, president, and J. Willard Weldner, vice president.

Brode has been on the board since 1948. Weldner is starting his third two-year term.

The Rev. E. L. Angstadt is secretary and has been on the board some 16 years.

Harry Barndt, treasurer, is the real veteran, however, with more than 40 years of service.

The fifth member is Norman Leister.

Bechtelsville

There probably won't be any changes in the Bechtelsville school board as a result of Monday's meeting.

The only one of the five members whose term expired this year was re-elected the past Fall. He is Lester W. Schott. Schott, secretary, has been a member for the past eight years.

Francis Mauger is president of the board. He's completed three years.

The vice president is Henry Kehl. He has seen eight years of service. The treasurer is Thomas Herb. Herb is the veteran of the group, having served close to 25 years.

The fifth member of the board is Warren Yerger. He has been on the board for the past nine years.

The president and vice president will probably continue in their capacities.

East Greenville

Republican Paul Bickler will begin a six-year term on the East Greenville School board when the annual reorganization meeting is held Monday night.

He'll replace Dr. Eugene Cleaver, also a Republican, who was filling out the unexpired term of Fred Diehl. Diehl moved out of the township.

President of the board is Charles J. Schell, a Democrat who soon will start his ninth year on the board. He also is president of the Upper Perkiomen Joint School board.

Linwood P. Fox is vice president. He is a Democrat who has served four years on the board. Republican Linford E. Weiss is secretary and has been on the board two years.

Morris Krause, a four-year Democratic member, is treasurer.

East Pikeland

Margaret Bishop, elected this Fall, will be the only member to be sworn in Monday night.

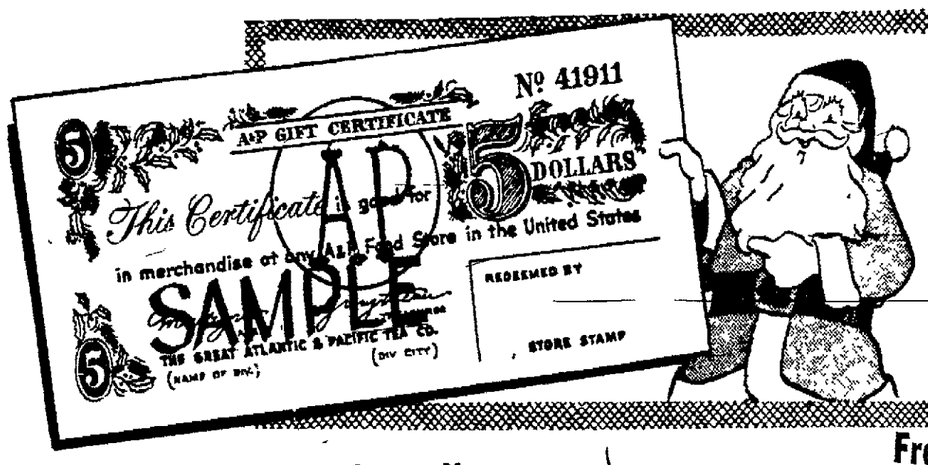

She was appointed to fill out an unexpired term about a year ago.

The board president is Paul D. Barton, who has been a member for 14 years and president most of that time.

Furman Gyger Jr. now vice president and formerly treasurer, has been on the board eight years.

Harry G. Davis is secretary and has been a member 12 years, sec-

SCHOOL —

(Continued From Page Fifteen)

president. He has more than 14 years of service on the board.

The treasurer is Richard Swavely. He's put in two years.

The fifth member is Frank Kulp who has been on the board for four years.

New Hanover

The membership in the New Hanover school board will be the same for 1954 as it has been, following the re-election of two board members.

Taking their regular places at the reorganization meeting Monday will be Vice President Robert R. Nester and Secretary Claude Brendlinger, elected in the Nov. 3 vote.

President John W. Moyer will preside at the meeting. He will complete 30 years of service upon the expiration in two years of his current six-year term.

Other members are George Mutter and Merrill Erb. Erb is a Republican, but all the other members are Democrats.

Perkiomen

The only school board member to run for re-election the past Fall was successful so there will be no new members sworn in at Monday's reorganization meeting.

Floyd Landes, president, has been on the board for 16 years.

Robert T. Reifsnyder, re-elected the past Fall, is vice president. He's been on the board over one year.

Jonas Schreffler, secretary, has more than 12 years of service in.

Claude Kulp is another veteran member and Robert McCahan is treasurer.

West Pottsgrove

One new member will be sworn in at the West Pottsgrove reorganization meeting.

He is Leidy Gaugler who'll be serving his first term on the board. He replaces Fred W. Knopp who served 12 years, most of that time as treasurer.

The other members are Daniel E. Harp, member four years and three of those years as president.

Albert J. Basile, vice president, is starting his tenth year. He has served as treasurer and also as president during his service.

Herbert W. Stauffer will be starting his 27th year. For most of those years he has served as secretary.

The fifth member, Leonard Bechtel, will be starting his third year. Gaugler and Bechtel are Democrats. The other three are Republicans.

Sumneytown Independent

No new men will be sworn in at Monday night's reorganization meeting. Two incumbents were re-elected at the past Fall's elections. They were J. Russell Brode, president, and J. Willard Weldner, vice president.

Brode has been on the board since 1948. Weldner is starting his third two-year term.

The Rev. E. L. Angstadt is secretary and has been on the board some 16 years.

Harry Barndt, treasurer, is the real veteran, however, with more than 40 years of service.

The fifth member is Norman Leister.

Bechtelsville

There probably won't be any changes in the Bechtelsville school board as a result of Monday's meeting.

The only one of the five members whose term expired this year was re-elected the past Fall. He is Lester W. Schott. Schott, secretary, has been a member for the past eight years.

Francis Mauger is president of the board. He's completed three years.

The vice president is Henry Kehl. He has seen eight years of service. The treasurer is Thomas Herb. Herb is the veteran of the group, having served close to 25 years.

The fifth member of the board is Warren Yerger. He has been on the board for the past nine years.

The president and vice president will probably continue in their capacities.

East Greenville

Republican Paul Biebler will begin a six-year term on the East Greenville School board when the annual reorganization meeting is held Monday night.

He'll replace Dr. Eugene Cleaver, also a Republican, who was filling out the unexpired term of Fred Diehl. Diehl moved out of the township.

President of the board is Charles J. Schell, a Democrat who soon will start his ninth year on the board. He also is president of the Upper Perkiomen Joint School board.

Linwood P. Fox is vice president. He is a Democrat who has served four years on the board. Republican Linford E. Weiss is secretary and has been on the board two years.

Morris Krause, a four-year Democratic member, is treasurer.

East Pikeland

Margaret Bishop, elected this Fall, will be the only member to be sworn in Monday night.

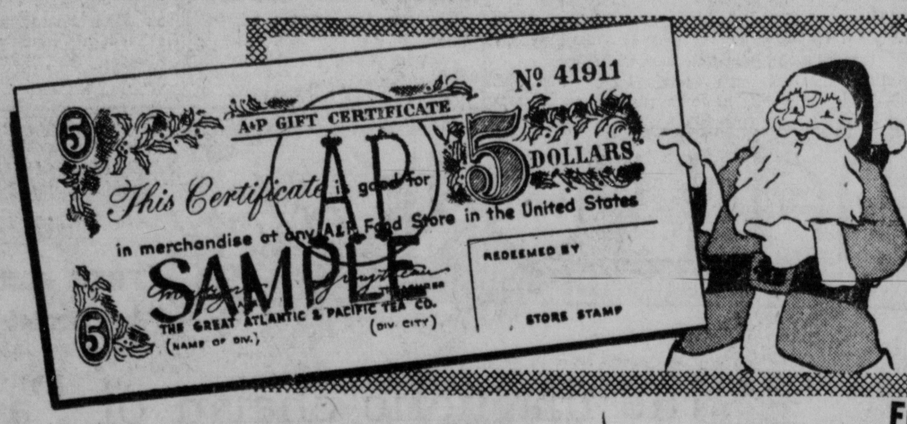

She was appointed to fill out an unexpired term about a year ago.

The board president is Paul D. Barton, who has been a member for 14 years and president most of that time.

Furman Gyger Jr., now vice president and formerly treasurer, has been on the board eight years.

Harry G. Davis is secretary and has been a member 12 years, sec-

Mowrer is retiring after 12 years on the board, seven as president, and a new president will be elected at the reorganization meeting. Mowrer didn't run for re-election the past Nov. 3.

Elected to a six-year term was Paul K. Detwiler of Spring City RD 1. Russell P. Latshaw has been elected to fill the unexpired term of Paul Taylor, who moved from the township in July.

Edwin Walters has replaced Carl O. Berger, who also moved from the township after serving three years on the school board.

Treasurer Robert H. Potts soon will begin his 45th year on the board. Another long-time member is Secretary H. Emmett Latschar, who's served 25 years.

Mowrer has been vice president of the Vincent's Joint school board, and since the death of President Henry White a few weeks ago, has been acting president.

There will be one new member of the East Nantmeal school board present Monday night when the board holds its reorganization meeting.

The new member is Mrs. Jane Cadmus, elected the past Nov. 3. She will replace E. Morris Strickland, vice president.

Sergeant Who Was Shot in the Back Complains on Red Propaganda in US

WASHINGTON, Dec. 3 (AP)—An Army sergeant who survived being shot in the back while a prisoner of war in Korea complained to Senate investigators today that Communist propaganda has been mailed to him from Florida cities.

Sgt. Berry F. Rhoden of MacClenny, Fla., testified he received the mail after making public appearances in government bond drives on his return from the war. He said the propaganda was similar to that used by North Koreans who held him a prisoner briefly in September 1950.

One of the letters was grossly insulting to former President Truman, Rhoden said. He reported the mail was postmarked at Miami, Daytona Beach, St. Petersburg and other Florida points.

Rhoden was one of a series of grim-faced witnesses who appeared before Senator Potter (R-Mich) to give chapter and verse on Communist atrocities in Korea.

* * *

AFTER HE was captured on Aug. 30, 1950, Rhoden related, a Communist officer handed him a card that read, "you are about to die the most horrible kind of death."

"As I turned around, they shot me in the back," he said. "I pretended I was dead." Later, he managed, in spite of a nicked spinal cord, a punctured bladder and a cracked pelvis, to return to the American lines.

A 21-year-old Army veteran, who interrupted his honeymoon to testify, broke down and sobbed as he told how he saw "my buddies getting murdered with their hands tied behind their back."

Roy Paul Manring Jr., of New Albany, Ind., regained his composure during a brief recess of the hearing. Then he identified an official Army photograph of the Korean ravine filled with bodies of his former buddies, saying:

"This is right where I was."

Manring later told a reporter he stopped 11 bullets fired at him during three intervals of the same day while his hands were tied behind his back.

As the story of Red brutality unrolled before the Senate group, an Army sergeant testified he broke off frozen toe bones himself rather than risk going to a Communist hospital.

An Army corporal told of being tortured by lighted cigarettes pressed against his body and a can-opener thrust into a gaping wound on his shoulder.

Senator Potter remarked that all the testimony indicates "it was a command decision on the part of the Communists to mistreat or murder our prisoners of war."

"This was pretty much a pattern," said Potter, who lost both legs fighting the Germans in World War II"—either the officers fired the weapons that murdered our men or else it was the officers who ordered this done." Rhoden testified he was shot in the back by the officers in charge of his captors.

Returner of Purse Has Purse Returned

CLINTON, Iowa, Dec. 3 (AP)—You couldn't find a better introduction to the Christmas season than this story.

Earl Anspach Jr., Clinton, found a purse. It contained $500. Also a letter.

The letter, from the wife of a minister in Genesco, Ill., thanked Mrs. Glen Aubrey of Mount Carroll, Ill., for returning a purse the woman had lost in Mrs. Aubrey's restaurant two weeks earlier.

Anspach drove 50 miles to Mount Carroll and restored Mrs. Aubrey's property to her.

She gave the Clinton man a reward of $100 and invited the Anspach family to her restaurant as guests for Sunday dinner.

Mrs. Aubrey had been saving money for a trip to South America, where her daughter lives.

Two Sentenced to Death For Murdering Baby

LEEDS, England, Dec. 3 (AP)—A mother and father were sentenced to death today after a jury convicted them of murdering their newborn baby.

Patrick Conroy, 35-year-old tractor driver, and his wife, Beatrice, 35, had pleaded innocent. The prosecution introduced medical evidence that the child died shortly after birth from a blow on the head and contended that one of the accused must have struck the blow.

BIG TWO AWAIT IKE'S ARRIVAL

Ready World Issues To Set Before President

TUCKER'S TOWN, Bermuda, Dec. 3 (AP)—Prime Minister Churchill and Premier Joseph Laniel separately lined up arguments today to convince President Eisenhower on policies they believe the Allies should follow to promote a new phase in East-West relations.

A closer alignment of Western aims and actions is clearly the goal of each of the Big Three, who will open what may prove to be a historic parley on this British island colony in the Atlantic late tomorrow.

The Western Big Three foreign ministers—US Secretary of State Dulles, Anthony Eden of Britain and Georges Bidault of France—are to set the stage with a perliminary meeting a few hours after Eisenhower's party arrives from Washington tomorrow noon.

Then Churchill, as host, Eisenhower and Laniel will take seats at a huge mahogany round table set up in the conference room of the posh Mid-Ocean club, sealed off from Kibitzers, cranks and any would-be spies by British tommy-gunners manning road blocks and barbed wire barricades outside.

Churchill and Eden, with a team of 28, flew in from Britain yesterday. Laniel and Bidault, with 225 advisers, arrived from Paris today as representatives of a Government that will resign automatically in mid-January after France installs a new president.

Churchill was on hand at the airport to welcome Laniel.

Gay Package Holds Wife's Birthday Gift

Tearing her way through the tissue paper she came to her present—receipt for a $35 speeding fine Sternberger had paid for her.

Jack Dempsey, Wealthy Widow Set To Wed 'Sometime' Before Christmas

NEW YORK, Dec. 3 (AP)—Jack Dempsey, former heavyweight boxing king, and Mrs. Estelle Auguste, a rich, pretty widow, said today they'll soon be married.

The date hasn't been set, but they said it would be sometime before Christmas. It'll be the fourth marriage for Dempsey, 58, and the third for Mrs. Auguste, 42, Palm Beach, Fla.

"I really think it's wonderful to at last find a real man," said Mrs. Auguste, a vivacious,

MRS. AUGUSTE

blue-eyed blond. "In my orbit, I've met so few of them."

Both seemed pleased and happy as they made their announcement to a news conference at the Waldorf-Astoria hotel.

"She's a wonderful girl," Dempsey said. "I'm not the easiest guy in the world to get along with and I know it, but I really hope this works out and I'm sure it will."

* * *

MRS. AUGUSTE is the widow of the late H. Spencer Auguste, founder of the commercial investment trust and executive of the May company department store chain. He died four years ago, leaving her a reported 45 million dollars.

She wouldn't say if this was an accurate estimate of her fortune. "It's not a nice question," she demurred, smilingly. But she added it was a rare pleasure to find a man who wasn't a fortune hunter.

"When most men kiss my hand," she said, "I feel they're looking at my ring to see how many carats it has. It's so wonderful to find a real he-man, and his record proves he's a real family man, too.

"I think family life is the most important thing in the world. I'm not interested in nightclubbing and that sort of thing, and Jack's not either."

Dempsey, presently associated with a Chicago radio-television school, an advertising firm here and who has been doing some sports refereeing, said marriage means he'll have to stop moving around so much.

"But I've been busy all my life and I'm going to stay that way," he said. "I've still got to make money regardless of what she has. That has nothing to do with me."

Mrs. Auguste, who said she recently got a medical degree in Geneva, Switzerland, said she has been doing research at hospitals there and in Palm Beach on mental disorders.

"I'm going to continue my work," she said. "I pinned Jack down on that before we decided to marry, and he agreed I could. Isn't that right, Jack?"

"Why not?" Dempsey answered. "I want you to do what you want to do. I think it's a grand thing and you're doing something for humanity."

HEREFORD STEER BRINGS $20,000

18-Year-Old Girl Fattens $189 Investment Into Rich Prize

CHICAGO, Dec. 3 (AP)—A skinny Hereford calf she fattened into a 1005-pound grand champion steer in 12 months, today brought a rich reward to a Texas farm girl.

The sale of "Lone Star," grand champion of the International Livestock exposition, returned $20,100 to 18-year-old Sue White, of Big Spring, Tex., who paid $189 for the animal in Nov. 1952, when it was two months old and weighed only 140 pounds.

Albert Pick Jr., president of the Pick hotel chain, paid $20 a pound for the white faced Hereford, an all time record for a grand champion at the Chicago show.

Cash realized from the sale of the steer, plus $345 in prizes and a $1000 award from the American Hereford association, gave Miss White, a 4-H club worker, a return of $21,445 on her $189 investment in "Lone Star."

The reserve grand champion steer of the show, "Little Stuff," an Aberdeen-Angus shown by Carlyle Greathouse, 18, of Hindsboro, Ill., was sold for $3 a pound to the Shop-Rite super market, a New Jersey chain.

The grand champion carload of steers, 15 Herefords shown by Karl and Jack Hoffman, of Ida Grove, Iowa, also were purchased by Hotelman Pick who bid 63 cents a pound for the 15,555-pound load.

Women in Strapless Evening Gowns Must Accept Hazards, Pay Costs

LONDON, Dec. 3 (AP)—A judge today ruled that a woman who exposes herself in low-cut strapless evening gown must accept the hazards — and pay the dressmaker.

What's more, Judge Wilfrid Clothier further ruled in Lambeth county court, the buyer of the dress must be prepared to put up with a considerable amount of discomfort and even support the bodice by hand if necessary.

The judge made his observations in ruling against two women who had strapless gowns made for them to wear at a wedding where they were matrons of honor. The dressmaker sued for payment. The two women counter-claimed for damages contending the gowns were not properly made.

The judge permitted Mrs. Irene Bonstein to use his private chambers to put on the gown in question.

Then he listened attentively as Mrs. Bonstein — who sued with Mrs. Mavis Mercado—told how she found herself in mental distress at the wedding and could not take part in the dancing.

She said the dress was too daring. She covered her bosom as she testified.

* * *

JUDGE CLOTHIER heard all. Then he said:

"It is apparent to me that the gown is only supported by reason of the fact that it is so shaped to take fullest advantage of the bust.

"It must seem to anyone that such support is precarious. It is meant to attract men, and a lady who selects such a dress must be prepared to put up with a considerable amount of discomfort. She must even be prepared to support the bodice by hand, if necessary.

"It is sufficient for me to say that it is a dress which left the bust as fully exposed as decency would permit. Mrs. Bonstein has said that the bodice was left unlined, thus causing chafing of the skin which showed the figure was expected to support the dress. The support of the dress by the bust would cause considerable irritation except to the most hardened of wearers."

He ruled he could see no ground for complaint and he gave judgment to the dressmaker of 12 guineas ($35.28) against Mrs. Bonstein and 15 guineas ($44.10) against Mrs. Mercado.

Two Spanish Officers Start US Training

MADRID, Spain, Dec. 3 (AP)—Two Spanish Army officers left today for five weeks' training at US Army's Ordnance school in Fuessen, Germany, the American embassy said today.

They are the first officers to receive American training under the military agreement between the two countries.

They are Captains Manuel Cano Lopez and Rafael Saenz De Cabezon Chica.

On Dec. 13 two more will go to the Engineer's school in Murnau, Germany.

MADRID, Spain, Dec. 3 (AP)—Two Spanish Army officers left today for five weeks' training at US Army's Ordnance school in Fuessen, Germany, the American embassy said today.

They are the first officers to receive American training under the military agreement between the two countries.

They are Captains Manuel Cano Lopez and Rafael Saenz De Cabezon Chica.

WINNING SMILE — This girl will have even more reason to smile when she sees the paper this morning. Because she can now come to The Mercury and pick up $2.50 to help with her Christmas shopping.

Do you know who she is? Give her a 'phone call in case she misses it. Everybody has a chance to be The Mercury's daily "Ringed Shopper." All you have to do is shop in Pottstown's stores.

If you see yourself ringed, identify yourself at The Mercury before 5 p. m. on the day the picture is printed and you'll be given the cash.

Tuesday's winner was a married woman, probably married the shortest time of any $2.50 winners.

She was Mrs. Marilyn Rothenberger Lloyd, daughter of Mr. and Mrs. Elmer Rothenberger, 1024 Schuylkill road, Kenilworth. Mrs. Lloyd had been married only since Sunday, in fact was on her honeymoon when the picture appeared in The Mercury.

So her mother, Mrs. Elmer Rothenberger, picked up the $2.50. The picture had been snapped in the Aletha shop when the to-be Mrs. Lloyd was picking out her bridal gown.

Robber Scorns Wallet In Liquor Store Theft

MEMPHIS, Dec. 3 (AP)—A nattily-dressed stickup man who flashed a $100 bill and spurned a clerk's slim wallet robbed a liquor store last night of $300.

The bandit pulled out the big bill after ordering a bottle of whisky. When the clerk, John W. Childress, 44, opened the safe to make change the robber pulled a gun and cleaned out the safe and cash register.

He also took the clerk's wallet but when he found it held only $8 tossed it scornfully to the floor and fled.

In 1950 for the first time, more than half of US citizens were women.

Miss Condon is a graduate of the Buena Vista High school in Havana and at present is a senior student at Dickinson college, Carisle, where she is majoring in psychology.

The Rev Bare was graduated from Downingtown High school in 1948 and Dickinson college in 1952, where he was a member of the Sigma Chi national fraternity.

He is now in his second year at the Drew Theological seminary, Madison, N. J. He is also pastor of the Wind Gap Methodist church and the Belfast Methodist church, both near Easton.

The couple plans to be married in June.

Christmas Party Is First Meeting Of Tau Pha Lamda

The first regular meeting of the Women's Circle Tau Pha Lamda was in the form of a Christmas party. Traditional yuletide decorations formed the background for holiday music and the exchange of gifts.

During the business session, Elizabeth Burcin, state manager, Hazleton, spoke to the members on fraternalism.

Hostesses were Ann Iswalt and Ann Gresko.

Other members present included: Virginia Iswalt, Audrey Parvenski, Madeline Stranick, Lorraine Buck, Mary Surma, Helen Surma, Olga Zipay, Mary Favata, Dorothy Mae March.

Marie Iswalt, Nancy Waldroff, Monica Katch, Ann Hish, and Lucille Elias. Presents for the gift exchange were sent by Joan and Agnes Parvenski who were unable to attend the gathering.

The next meeting of the sorority will be Jan. 10, in the Holy Trinity ballroom.

Date for Annual Christmas Dinner Set At Meeting of Pottstown Golden Age Club

The annual Christmas dinner, largest get-together of the year for the Golden Agers of Pottstown, has been scheduled for Dec. 14 at 12:30 p. m. in the YWCA. Special entertainment and a gift exchange have also been planned for this time.

At the club's recent meeting, Mrs. Ethel Moore presided, and Christmas tree decorations were made under the leadership of Alberta Waddell.

Cards and other table games were played and refreshments were prepared and served by the Business and Professional Women's club of Pottstown.

Of the 135 persons attending, M. L. Hatfield, 127 North Hanover street, was the only new member.

LUNCH BOX IDEA

An egg and olive spread will make delicious sandwiches for the lunchbox. Mash the hard-cooked eggs and mix with chopped pimiento-stuffed olives; now add enough mayonnaise to moisten and salt and pepper to taste. Layer this spread between slices of whole wheat bread. A vacuum bottle of cream of tomato soup makes a good send-along for these sandwiches.

Plans Completed for Troop 6 Christmas Fete

Program for the Dec. 15 Christmas party of Troop 6, Girl Scouts, will be handled by Marlene Noll, Janet McCullough and Dorothy Pennington. Refreshments will be taken care of by leaders, Mrs. Lillian Shellenberger and Joan Shellenberger.

At this week's meeting, work progressed on the girls' gifts for their mothers and fathers. Members who had completed both their presents painted cans to be used as sprinkling cans, and dried weeds that would be arranged in record dishes.

Next week's activities will include completing and wrapping of the Christmas gifts, games, and the planning of future meetings.

Present at the session, in addition to the above mentioned, were Ruth Renninger, Sharon Laury, Linda Yocom, Barbara Brower, Doris Jenkins, Judy Rauscher, Nancy Schurr, Barbara Heckman, Joy Wilson, Eileen Hart, Dianne Houck, Suzanne Dilliplane, Judy Decker and the leader, Mrs. Edith Shellenberger.

Chanukah Holiday, Birthdays Celebrated by Jewish League

The lighting of Chanukah candles and the exchange of holiday gifts climaxed the combined Chanukah and birthday party at the meeting of the Jewish Women's league.

Twelve tables, each representing a month of the year, and appropriately decorated for that time, were arranged in the synagog. Members were seated at the tables representing their birthday months.

Contributions to the entire program were made by each table. Members of the program committee included: Mrs. Louis Singer, Mrs. Hyman Prince and Mrs. Joseph Marion. Table decorations were in charge of Mrs. George Berman.

Mrs. David Alexander announced the names of members of the congregation who were awarded prizes for decorating their homes for the Chanukah holiday.

First prizes were awarded to: Mr. and Mrs. Harold Borger, Mr. and Mrs. Sol Berger, Mr. and Mrs. Joseph Marion and Mr. and Mrs. Edward Hoffman.

The following received honorable mention: Mr. and Mrs. Herbert Borger, Mr. and Mrs. Stanley Prince, Mr. and Mrs. Mac Keller, Mr. and Mrs. Herman Litchman, Dr. and Mrs. Nathan Estricher, and Mr. and Mrs. Harold Levan.

Most of the decorations featured lit menorah, large gold stars and traditional decorations for the Chanukah holiday. Many of the homes were decorated by the children of the family.

Mrs. Leon Price, PTA chairman, announced a Chanukah party for the children is to be held on Sunday afternoon at 2:30 p. m. in the vestry room of the synagog.

A family supper is slated for Dec. 13 in the vestry rooms. Members and friends of the league are invited.

Jacob Raden appealed to league members on behalf of the Jewish National fund to contribute funds and trees to be sent to Israel. Mr. Raden and attorney and Mrs. Joseph L. Prince recently attended a fund conference in Reading.

Mrs. Nathan P. Hoffman had charge of the business session. She also reported on the conference of the eastern branch of the JWL held in Scranton.

Mrs. MacKeller anonunced a meeting of the social action committee to be held on Dec. 16 at 8:30 p. m. in the home of Mrs. Harry Hoffman, Maplewood drive.

Trojans Play Abington This Afternoon

Pottstown High won't be meeting any setups on its basketball schedule for sometime to come and today's encounter at Abington High will be rated as an upset if the Trojans win.

The junior varsity game will begin at 3:15 o'clock this afternoon with varsity action scheduled about 4:30. This will be the third meeting of the schools and the first at Abington. The Trojans won the other two games, one in 1944 and last year on a 68-50 score at the Junior High.

The Ghosts of Abington have four of last year's starters back including 6-3 Roland "Sonnyboy" West who made quite a name for himself in leading his team to an undefeated football season.

* * *

ABINGTON trailed Pottstown by only five points at the end of three quarters last year and it wasn't until four Abington starters progressed steadily under Vern Fegely, who had just checked in from Easton High.

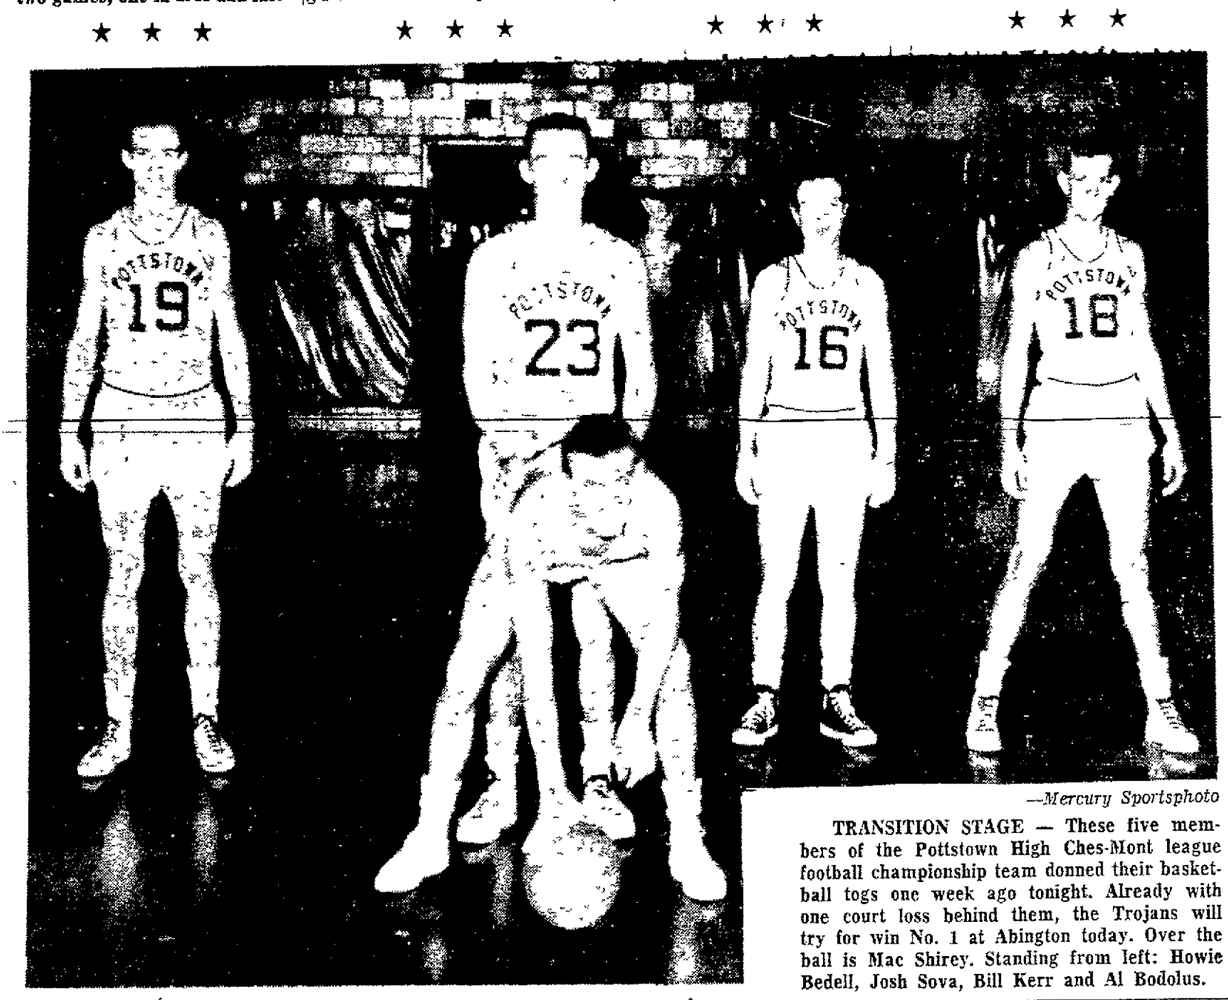

Physically recovered from their 54-51 loss to Kutztown in the home opener Tuesday night, the Trojans will be trying to give their new coach, Bill McCabe, his first win.

McCabe feels the boys who played until a week ago are in good shape, and he will fit some of them into the starting lineup.

Howie Bedell will open at center and will be assigned the task of holding West in check. Dick Kovach will start at one of the forward spots with either Mac Shirey or Paul Zirkel holding down the other side.

Al Bolodus, another gridder gets the call at guard along with either Ron Cheney or Bill Kerr.

TRANSITION STAGE — These five members of the Pottstown High Ches-Mont league football championship team donned their basketball togs one week ago tonight. Already with one court loss behind them, the Trojans will try for win No. 1 at Abington today. Over the ball is Mac Shirey. Standing from left: Howie Bedell, Josh Sova, Bill Kerr and Al Bodolus.

Lattner, Giel AP All-America Repeaters; Shanefelt Named

NEW YORK, Dec. 3 (AP) — Two great Midwestern backs, John Lattner of Notre Dame and Paul Giel of Minnesota, occupy the spotlight on the 1953 Associated Press All-America football team announced today. They are the only repeaters from the 1952 team. Paul Cameron of UCLA and David (Kosse) Johnson of Rice, round out the first team backfield.

The team was selected on the recommendations of boards of newspaper and radio experts representing every region of the country. It takes into account all the season's games through Nov. 28.

Rounding out the first team are Don Dohoney of Michigan State and Sam Morley of Stanford at ends, Stanley Jones of Maryland and Jack Shanafelt of Penn at tackles, J. D. Roberts of Oklahoma and Crawford Mims of Mississippi at guards, and Larry Morris of Georgia Tech at center.

The development of versatile, 60-minute football players such as were known a decade ago brought much sharper focus on personalities in 1953. As a result, the redoubtable players that made up the first All-America were closely challenged by the 1953 second team, the backfield of which is comprised of Bernie Faloney of Maryland, J. C. Caroline of Illinois, Bob Garrett of Stanford, and Bobby Cavazos of Texas Tech.

* * *

LATTNER—118 carries for 567 yards and seven touchdowns, an average of 4.8 yards. He returned eight kickoffs for 321 yards and two touchdowns, punted 28 times for 967 yards and an 34.5 average, intercepted four passes, and caught 13 for 180 yards. He scored four touchdowns against Southern California, a record, and his slashing, churning runs tore the Trojan line apart. Coach Frank Leahy termed him a "fine clutch player."

Giel—198 carries for 749 yards and nine touchdowns, an average of 3.8 yards. He attempted 93 passes and completed 50 for 590 yards, and intercepted five passes. He returned 17 punts for 288 yards and six kickoffs for 130 yards. His complete, three year record is 869 plays for a total offense of 4116 yards. Coach Wes Fesler called him "the finest all around player I ever have coached."

Johnson—188 carries for 944 yards, an average of 5.0, and the second highest season net in Southwest conference records. He returned eight kickoffs for 224 yards, scored 10 touchdowns and two conversions, caught six passes for 129 yards, punted 40 times for an average of 35.1. His most spectacular game was Rice's 18-13 victory over Texas when he had 26 carries for 111 yards, one pass for 33 yards, and four kickoff returns for 120 yards. "If anybody ever was All-America, Kosse is," said Coach Jess Neely.

Cameron—134 carries for 672 yards, an average of 5.0, to lead the Pacific Coast conference in the rushing department. He had 84 attempts, 30 completions and 326 yards in passing. He scored 12 touchdowns, also to lead the conference. Cameron punted 31 times for an average of 41.3, and none was blocked. Coach Red Sanders called him "the greatest single wing tailback in America—the best I ever have coached."

* * *

THE ALL-AMERICA LINE is big through center but light at the ends. Dohoney at 193 and Morley at 185 are below average in size, but powerful. Dohoney was most spectacular on defense, and in Michigan State's defeat of Minnesota 21-0 was largely responsible for holding Giel to a net of only 23 yards. Morley was at his best on offense, catching 45 passes for 594 yards and six touchdowns to lead the Pacific Coast conference.

Jones was the line stalwart of Maryland's unbeaten team, the national champions. Shanafelt was great on an overmatched Penn team, and Mims stood out on a team that bowed twice in defeat. Roberts was outstanding on Oklahoma's mighty line. Morris, the only Junior on the first team—all the rest being Seniors—was largely responsible for Georgia Tech's fine record.

The only colleges to place more than one man on the three teams are Maryland, with Jones on the first and Faloney on the second; Notre Dame with Lattner on the first and Art Hunter at tackle on the second; and Stanford, with Morley on the first, and the other half of a great passing combination, Garrett, on the second.

Perk Loop Coaches Name Outstanding Players

Upper Perkiomen's undefeated season, a 10-inch snowstorm, some costly injuries to key players and the retirement of Royersford Coach Bob McNelly were the standout features of the Perkiomen-Schuylkill league season that was just completed.

There were the usual backfield heroes but no real standouts like Gary Grater was last year when he scored 120 points for Royersford. Bob Smith of Upper Perk led the scoring parade with 64 but several others were hot on his heels.

Other familiar names that linger in the minds of the fans and coaches are Greg Lignelli, Ted Kerschner, Ron Boyer, Charley Miller, Ron Domin, Terry Fetterman, Bill Yeagle, Bill Bainbridge, Del Fritz, Bill Rogers, Ron Wasson, and a squadful of others who were the outstanding performers.

A survey of the coaches brought forth the following results:

First year coach from Schwenksville, Paul Bingaman wanted to sing the praises of all his boys who made up in spirit what they lacked in size and numbers. Sophomore Ted Kershner, No. 4 scorer in the area with 43 points, was the big gun in the Bluebird attack. Everybody had nice things ot say about big Tom Newruck, the husky Junior who roamed far and wide as the Schwenks top defender.

Bingaman also cited quarterback Jay Fisher as a reliable performer and named ends Bob Reifsnyder and Ed Sheppard and right guard Charlie Kulp as other standouts. It wasn't surprising to learn that Collegeville's Yeagle impressed Bingaman more than any other back in the league because Bill scored four touchdowns against the Blubirds.

* * *

NOW AN EX-COACH, Bob McNelly would have liked to have gone out with a winning season but like George Munger he didn't. Royersford like Penn had a killer schedule for a school of its size and in most of the defeats, the Eagles more than held their own in every statistical department except points.

McNelly selected Charlie Miller as his outstanding offensive back and most of the teams Royersford faced also gave the hard running Senior plenty of acclaim. The Eagle mentor also named Carrol Swenson as a fine fullback although the team captain sat out six games because of a fractured wrist.

The lineman of note for Royersford were Henry Wojton and Bill Rogers, end and tackle respectively who made a major share of the team's tackles. Jansen Fray was the utility man as he seldom played two games in a row at the same post.

Smith and Fetterman of Upper Perkiomen, Lignelli, of Boyertown: Yeagle, and Bill Wolfrum, Boyertown guard: were the best to go up against the Eagles, McNelly said.

Boyertown mentor, Warren Fry, chose Lignelli, Dave Erb and Boyer as his standout backs. Jim Heydt as "a great end both ways"; Wolfrum, tackle Ron Wasson and end Dave Keyser. Heydt and Erb were great pass receivers; Boyer stood out against Upper Perk, and Lignelli, when able to pitch, passed opponents dizzy. He once rolled up 102 yards in one quarter against Wilson.

* * *

FRY PICKED a host of top opponents. He named Fritz as being as good at cutting back as anyone in the league, and the Indian's Carl Winsch as a very good defensive tackle. Smith's kicking impressed Fry because it hurt Boyertown in the Turkey Day clash with the Indians.

Domin, of Norco, looked good against the Bears, Fry said, as did Royersford's Miller, Spring City's Bainbridge, Yeagle, Newruck, Kershner, whom Fry described as "young but with good possibilities," Royersford's tackle Rogers, and Spring City's Bob Saylor, another tackle.

Across the river and up the hill at North Coventry, coach Al Brown mentally scratched his head and came up with the three best on the Wildcat's eleven: Fullback Bill Whitlach, left tackle Larry McAfee and right halfback Domin.

"Whitlach has been our mainstay for three years," Brown said. "He was all-league last year. He's a rough and ready boy."

"Domin will be back next year and is top material," he went on. "He's a natural athlete, he's well-coordinated."

* * *

LIGNELLI, Bainbridge, Newruck and Yeagle stood out in Brown's mind as the best he had run into during the season. "There are a lot of other good ones," he said, "but these are outstanding."

Pritchard, head man at Upper Perk, chose Smith for his running and punting, Fetterman for his play calling and passing, Fritz, who with 55 was the third highest scorer, for pass defense and off-tackle cutbacks, guard Dick Conrad for his fine blocking and full-

Sub for 'All' Team

Since there was no league championship this year, it was generally agreed that there would be no selection of an all-league team. In order that the top players of the '53 season could get recognition for their play, a poll was taken of the coaches, with each mentor naming his own stars and the best that his team ran up against.

Trojans Play Abington This Afternoon

Pottstown High won't be meeting any setups on its basketball schedule for sometime to come and today's encounter at Abington High will be rated as an upset if the Trojans win.

The junior varsity game will begin at 3:15 o'clock this afternoon with varsity action scheduled about 4:30. This will be the third meeting of the schools and the first at Abington. The Trojans won the other two games, one in 1944 and last year on a 68-50 score at the Junior High.

The Ghosts of Abington have four of last year's starters back including 6-3 Roland "Sonnyboy" West who made quite a name for himself in leading his team to an undefeated football season.

* * *

ABINGTON trailed Pottstown by only five points at the end of three quarters last year and it wasn't until four Abington starters progressed steadily under Vern Fegely, who had just checked in from Easton High.

Physically recovered from their 54-51 loss to Kutztown in the home opener Tuesday night, the Trojans will be trying to give their new coach, Bill McCabe, his first win.

McCabe feels the boys who played until a week ago are in good shape, and he will fit some of them into the starting lineup.

Howie Bedell will open at center and will be assigned the task of holding West in check. Dick Kovach will start at one of the forward spots with either Mac Shirey or Paul Zirkel holding down the other side.

Al Bolodus, another gridder gets the call at guard along with either Ron Cheney or Bill Kerr.

TRANSITION STAGE — These five members of the Pottstown High Ches-Mont league football championship team donned their basketball togs one week ago tonight. Already with one court loss behind them, the Trojans will try for win No. 1 at Abington today. Over the ball is Mac Shirey. Standing from left: Howie Bedell, Josh Sova, Bill Kerr and Al Bodolus.

Sub for 'All' Team

In order that the top players of the '53 season could get recognition for their play, a poll was taken of the coaches, with each mentor naming his own stars and the best that his team ran up against.

Lattner, Giel AP All-America Repeaters; Shanefelt Named

NEW YORK, Dec. 3 (AP) — Two great Midwestern backs, John Lattner of Notre Dame and Paul Giel of Minnesota, occupy the spotlight on the 1953 Associated Press All-America football team announced today. They are the only repeaters from the 1952 team. Paul Cameron of UCLA and David (Kosse) Johnson of Rice, round out the first team backfield.

The team was selected on the recommendations of boards of newspaper and radio experts representing every region of the country. It takes into account all the season's games through Nov. 28.

Rounding out the first team are Don Dohoney of Michigan State and Sam Morley of Stanford at ends, Stanley Jones of Maryland and Jack Shanafelt of Penn at tackles, J. D. Roberts of Oklahoma and Crawford Mims of Mississippi at guards, and Larry Morris of Georgia Tech at center.

The development of versatile, 60-minute football players such as were known a decade ago brought much sharper focus on personalities in 1953. As a result, the redoubtable players that made up the first All-America were closely challenged by the 1953 second team, the backfield of which is comprised of Bernie Faloney of Maryland, J. C. Caroline of Illinois, Bob Garrett of Stanford, and Bobby Cavazos of Texas Tech.

* * *

LATTNER—118 carries for 567 yards and seven touchdowns, an average of 4.8 yards. He returned eight kickoffs for 321 yards and two touchdowns, punted 28 times for 967 yards and an 34.5 average, intercepted four passes, and caught 13 for 180 yards. He scored four touchdowns against Southern California, a record, and his slashing, churning runs tore the Trojan line apart. Coach Frank Leahy termed him a "fine clutch player."

Giel—198 carries for 749 yards and nine touchdowns, an average of 3.8 yards. He attempted 93 passes and completed 50 for 590 yards, and intercepted five passes. He returned 17 punts for 288 yards and six kickoffs for 130 yards. His complete, three year record is 869 plays for a total offense of 4116 yards. Coach Wes Fesler called him "the finest all around player I ever have coached."

Johnson—188 carries for 944 yards, an average of 5.0, and the second highest season net in Southwest conference records. He returned eight kickoffs for 224 yards, scored 10 touchdowns and two conversions, caught six passes for 129 yards, punted 40 times for an average of 35.1. His most spectacular game was Rice's 18-13 victory over Texas when he had 26 carries for 111 yards, one pass for 33 yards, and four kickoff returns for 120 yards. "If anybody ever was All-America, Kosse is," said Coach Jess Neely.

Cameron—134 carries for 672 yards, an average of 5.0, to lead the Pacific Coast conference in the rushing department. He had 84 attempts, 30 completions and 326 yards in passing. He scored 12 touchdowns, also to lead the conference. Cameron punted 31 times for an average of 41.3, and none was blocked. Coach Red Sanders called him "the greatest single wing tailback in America—the best I ever have coached."

* * *

THE ALL-AMERICA LINE is big through center but light at the ends. Dohoney at 193 and Morley at 185 are below average in size, but powerful. Dohoney was most spectacular on defense, and in Michigan State's defeat of Minnesota 21-0 was largely responsible for holding Giel to a net of only 23 yards. Morley was at his best on offense, catching 45 passes for 594 yards and six touchdowns to lead the Pacific Coast conference.

Jones was the line stalwart of Maryland's unbeaten team, the national champions. Shanafelt was great on an overmatched Penn team, and Mims stood out on a team that bowed twice in defeat. Roberts was outstanding on Oklahoma's mighty line. Morris, the only Junior on the first team—all the rest being Seniors—was largely responsible for Georgia Tech's fine record.

The only colleges to place more than one man on the three teams are Maryland, with Jones on the first and Faloney on the second; Notre Dame with Lattner on the first and Art Hunter at tackle on the second; and Stanford, with Morley on the first, and the other half of a great passing combination, Garrett, on the second.

Bevo Scores 32 Points As Rio Grande Is Beaten

NEW YORK, Dec. 3 (AP)—Adelphi college of Garden City, N. Y., whipped Rio Grande college 83-76 in the opening college basketball doubleheader at Madison Square Garden tonight although Bevo Francis scored 32 points in his Metropolitan debut. Rio Grande had won 40 games in a row.

St. John's of Brooklyn, runner-up in last season's National Invitation tournament, turned back a fourth quarter rally and defeated Lafayette college 66-61 in the second game.

Despite the fact that all six major New York newspapers are on strike and the doubleheader received virtually no advance publicity, a crowd of 13,832 showed up—a tribute to Bevo's drawing power.

Francis, a six-foot-nine sensation from the Ohio hill country, was held to 14 points in the second half as the New Yorkers caged him in a collapsing five man zone defense.

With Francis out of the scoring picture in the last quarter, the Rio Grande club tried desparately to hit from outside. But the shots were off, the passes were wild and Adelphi never gave up control after taking the lead.

back John Brunner, who could develop into a top ball carrier in 1954

At Spring City, Eben "Bud" Cleveland tagged Bainbridge for "his aggressiveness and burning desire to win;" center Kent Addis for "his leadership and competitive ability;" and guard Bill Jones for his "versatility."

Fetterman's "coolness under fire;" Smith's "hard running;" and Lignelli's "passing ability" drew praises from Cleveland as far as his opponents were concerned.

COLLEGEVILLE - TRAPPE boasted one of the better backfields in the league and all coach Bob Hackman had to do was name them. The pony backfield was composed of Yeagle, Hackman's best runner, at halfback; Fran McManus another standout, at quarterback; Jerry Hefelfinger, the other half, and Tom Nolan, fullback.

The linemen that gave the most consistent showings were ends Carl Weigner and Bill Hales. Weigner was a fine pass catcher and the 150-pound Hales was a rock on defense.

Builders Take Lead in Majors Baum Hits 677

Builder's Supplies hopped into the lead of the second leg of the Pottstown Major Bowling league last night with a 3-0 win over Carl Young's Distributors.

Boyertown Orioles, the first leg winners, dropped a 2-1 decision to Erb's Truckers, and the Pottstown Owls topped Umstead Truckers, 2-1.

In addition to its shutout victory, the Builders copped both team highs with a 1050 single game and 2985 triple.

Chris Baum paced the Builders with a 677 triple, one pin better than Carl Young's 676. Ken Umstead edged Young for the best game, 249 to 246. Evan Haley had a 236 to rank third in the singles.

The outstanding shot of the night was made by Pete Zezenksi who made the difficult 4-6 split.

Bevo Scores 32 Points As Rio Grande Is Beaten

NEW YORK, Dec. 3 (AP)—Adelphi college of Garden City, N. Y., whipped Rio Grande college 83-76 in the opening college basketball doubleheader at Madison Square Garden tonight although Bevo Francis scored 32 points in his Metropolitan debut. Rio Grande had won 40 games in a row.

St. John's of Brooklyn, runner-up in last season's National Invitation tournament, turned back a fourth quarter rally and defeated Lafayette college 66-61 in the second game.

Despite the fact that all six major New York newspapers are on strike and the doubleheader received virtually no advance publicity, a crowd of 13,832 showed up—a tribute to Bevo's drawing power.

Francis, a six-foot-nine sensation from the Ohio hill country, was held to 14 points in the second half as the New Yorkers caged him in a collapsing five man zone defense.

Try and Stop Me

By BENNETT CERF

THERE'S A LADY in our town who's never been able to keep a cook for a month. It's never occurred to her that she herself may be partly at fault. The last one got the axe just a week before Christmas. She whipped off her apron sullenly, then opened her purse and threw a dollar bill to the family's dog. "Whatever is the meaning of that ridiculous gesture?" demanded the indignant lady of the house. "It's coming to him," explained the cook with sizzling satisfaction, "for helping me so many times with—the dishes."

Alfred Haddad, 48, Dies in Hospital; Was Boyertown Shoe Firm Executive

Alfred G. Haddad, vice president in charge of production and general manager of the Boyertown Shoe corporation, at 225 South Washington street, Boyertown died yesterday morning at 10 o'clock in the Reading hospital, where he had been a patient for the past seven weeks. He was 48 years old.

Prior to his coming to Boyertown, Haddad was a foreman in a shoe factory at Kutztown. He became affiliated with George M. Haddad, a cousin, and formed the Sun-Glo Manufacturing company with factory headquarters in the former Erb building, Philadelphia and Reading avenues, Boyertown.

The next year, in 1945, the two men, along with Alex Stoppick and Mitchell Ettman, formed the Boyertown Shoe corporation and continued operations in the Erb building until the past March.

The industry then moved into its new building at 226 South Washington street and had a grand opening the past May 2. He was also an officer of the Quaker Shoe company, Allentown.

* * *

HADDAD'S EXPERIENCE in the shoe business dates back to his early days in Syria where he made shoes by hand as a young boy. His knowledge of shoes was instrumental in the success of the present corporation. Haddad came to this country from Beyrouth, Syria (now Lebanon) in 1920.

He was a member of St John's Evangelical Lutheran church, Boyertown; Boyertown Lodge 741, Free and Accepted Masons, and the Boyertown Rotary club.

Haddad was a son of Amelia Haddad, Allentown, and the late George Haddad.

Surviving besides his widow, Pauline (Charles) Haddad, 724 East Philadelphia avenue, Boyertown, and his mother at Allentown, there survive the following children: Afifie J., at home; Thelma J., wife of Daniel D. Unger, at home; George R., a student at Penn State University; Charles A., and Barbara L., at home; two brothers and a sister: Fred G. and Joseph G., both of Allentown, and Afifie, wife of Peter Kirms, Detroit, Mich.

Services will be held Sunday at 2 p. m. in St. John's Evangelical Lutheran church, Boyertown, with the pastor, the Rev. Dr. David F. Longacre, officiating.

Interment will be made in Fairview cemetery, Boyertown, in charge of the L. W. Ott funeral home, 111 North Reading avenue, Boyertown.

DEATHS — FUNERALS

Services for CLARA (MOYER) ERB, widow of Harry M. Erb, were held yesterday at 1:30 p. m. from the residence at SASSAMANSVILLE. Further services were held in the Church of the Good Shepherd, Evangelical and Reformed, Boyertown, where the pastor, the Rev. Harper L. Schneck, was assisted by the Rev. Wilmer C. Mantz, pastor of Sassaman's Reformed church, Sassamansville, and the Rev. Dr. Elmer E. S. Johnson, pastor emeritus of Hereford Mennonite church, Bally.

Interment was made in Fairview cemetery, Boyertown, in charge of the Schwenk funeral home, 124 West Philadelphia avenue, Boyertown.

Bearers were seven nephews of the deceased: William Moyer, Ernest Moyer, Paul Moyer, Norman, Moyer, Lester Moyer, Charles Moyer and Ralph Moyer.

Meeting Place Changed For Youth Bible Class

A temporary change of meeting place has been made for the catechetical class of St John's Evangelical Lutheran church, Boyertown, on Sunday.

The group will meet as usual at 1 p. m., but will gather in the Young People's Bible class of the church instead of the customary main department meeting room.

Sports Group Slates Kiddies' Yule Party

The annual Christmas party for children of members of the Popular Rest Sportsmen's association will be held on Friday, Dec. 18 from 7 30 to 9 30 p. m. in the clubhouse at Greshville.

Royersford High school Ninth grade class will sponsor a dance for Junior-High pupils tomorrow night from 7 to 10 o'clock in the High school gymnasium.

Jaycees Will Aid Needy Families With Cake Sale Funds

Members of the Boyertown Junior Chamber of Commerce, at its meeting held in the American Legion home, Boyertown, decided to aid needy families during the forthcoming holiday season with funds derived from a cake sale held recently.

Gerald R. Grabert will contact Teresa Melcher, Boyertown and Eastern Berks visiting nurse, to find out what a number of the neediest families need most.

Sgt. Richard Capanaro, of the US Air Force also was present and urged the members to enlist their services for air spotting at the local spotter's post. Following his talk, the members all agreed to each helping out for two hours each month.

The annual ladies' night of the organization will be observed at the January meeting.

Attending the meeting was a national director of the Jaycees, Frank Schneider, Reading. The president, Willard Haring, conducted the session.

Children Will Get 2d Diphtheria 'Shot'

Teresa Melcher, Boyertown and Eastern Berks visiting nurse, announced yesterday that the second in a series of three inoculations against diptheria will be given next week at three clinics in this area.

The clinics will be held at the Bally Parochial school Wednesday at 2 p. m.; in the Lincoln school, Boyertown, Thursday at 2:30 p. m.; and at the Siesholtzville school on Friday, Dec. 11, at 2:30 p. m.

Miss Melcher stated that all children who received booster inoculations the past month will not be required to receive this second inoculation.

Alfred Haddad, 48, Dies in Hospital; Was Boyertown Shoe Firm Executive

Alfred G. Haddad, vice president in charge of production and general manager of the Boyertown Shoe corporation, at 225 South Washington street, Boyertown, died yesterday morning at 10 o'clock in the Reading hospital, where he had been a patient for the past seven weeks. He was 48 years old.

Prior to his coming to Boyertown, Haddad was a foreman in a shoe factory at Kutztown. He became affiliated with George M. Haddad, a cousin, and formed the Sun-Glo Manufacturing company with factory headquarters in the former Erb building, Philadelphia and Reading avenues, Boyertown.

The next year, in 1945, the two men, along with Alex Stoppick and Mitchell Ettman, formed the Boyertown Shoe corporation and continued operations in the Erb building until the past March.

The industry then moved into its new building at 226 South Washington street and had a grand opening the past May 2. He was also an officer of the Quaker Shoe company, Allentown.

• • •

HADDAD'S EXPERIENCE in the shoe business dates back to his early days in Syria where he made shoes by hand as a young boy. His knowledge of shoes was instrumental in the success of the present corporation. Haddad came to this country from Beyrouth, Syria (now Lebanon) in 1920.

He was a member of St. John's Evangelical Lutheran church, Boyertown; Boyertown Lodge 741, Free and Accepted Masons, and the Boyertown Rotary club.

Haddad was a son of Amelia Haddad, Allentown, and the late George Haddad.

Surviving besides his widow, Pauline (Charles) Haddad, 724 East Philadelphia avenue, Boyertown, and his mother at Allentown, there survive the following children: Afifie J., at home; Thelma J., wife of Daniel D. Unger, at home; George R., a student at Penn State University; Charles A., and Barbara L., at home; two brothers and a sister: Fred G. and Joseph G., both of Allentown, and Afifie, wife of Peter Kirms, Detroit, Mich.

Services will be held Sunday at 2 p. m. in St. John's Evangelical Lutheran church, Boyertown, with the pastor, the Rev. Dr. David F. Longacre, officiating.

Interment will be made in Fairview cemetery, Boyertown, in charge of the L. W. Ott funeral home, 111 North Reading avenue, Boyertown.

Cigar Employes Vacate Building During Fire

PHILADELPHIA, Dec. 3 (AP)—About 2000 employes of Bayuk Cigars, Incorporated, vacated the firm's eight-story building in North Philadelphia today when the basement switchboard caught fire.

The blaze, confined to the switchboard, knocked out the plant's power, forcing it to close for the day.

Smoke began filling the basement engine room as Bayuk's shifts were changing. As a precautionary measure plant officials ordered a fire drill and the employes filed out.

GIRLS
OVERHEARD

In the subway the other day, a personable young lady was overheard saying that she was worried about finding a good job, because she had no training of any sort and no experience. If she should happen upon this message during her travels, she should head for the nearest Bell Telephone Employment Office or Business Office listed in the Directory. If she prefers, she can call the Operator and ask for the Employment Office for Women. She can then forget about having neither training nor experience. Neither is needed. What's more, she'll be well paid from the start.

GIRLS
OVERHEARD

In the subway the other day, a personable young lady was overheard saying that she was worried about finding a good job, because she had no training of any sort and no experience. If she should happen upon this message during her travels, she should head for the nearest Bell Telephone Employment Office or Business Office listed in the Directory. If she prefers, she can call the Operator and ask for the Employment Office for Women. She can then forget about having neither training nor experience. Neither is needed. What's more, she'll be well paid from the start.
